

# **SBI Clerk 2016 Official Language Change Link Activated**

**SBI** has **activated the link for Official Language Change Option** for those candidates appearing for SBI Clerk 2016. The SBI Clerk 2016 Official Language Change Link option makes it possible for candidates to change their official language as per the [Revised List of Official Languages](#).

Candidates who applied for SBI Clerical Cadre examination for recruitment to the post of Junior Associates (Customer Support & Sales) as well as Junior Agricultural Associates will now be able to change the official language on their application.

It is not compulsory to change the language, but it is advisable to check the revised list and see if there is a better fit for you. This is because you were earlier advised to register as per default language available for your state on the application and wait for the link to change official language to be made active. Those who now want to change their official regional language can do so.

**Last Date:** The link will remain active till **5<sup>th</sup> June 2016**.

Earlier, the application for SBI Clerk 2016 had been extended for 3 days owing to SBI Clerk 2016 Official Language Change.
