But there is never any perfect way to prepare **General Awareness and Financial Awareness for SBI Clerk**. You need these **last minute tips** to prepare General Awareness and Financial Awareness for SBI Clerk.

You must be prepared for both Static GK as well as Current Affairs. But emphasis must be laid, in the final days, on Current Affairs and Financial Awareness. You must pay special attention to recent news related to financial and banking sectors.

## Time Frame to Cover General Awareness and Financial Awareness for SBI Clerk

Generally, you should aim to cover anything and everything that happens to fall in a range of 3-4 months from a week before the examination date. Since your examination date is 5th August 2018, ideally you should have covered all news and current updates till date. That said, this should not be taken as a precise “cut off” date. It is only an indicative time frame that has been deduced from observing the trends in the past. Also, news items that happen to fall in the “sweet spot” i.e. within 1.5 to 2 months of the examination date are the most important. You should, therefore, prepare these most thoroughly.

## How to Prepare Current Affairs

Because you don't have too much time, the best way to prepare Current Affairs now would be to go through your bookmarked Current Affairs notes on the **[Current Affairs app](#)**. And try the Weekly/Monthly Quizzes.

If you haven't been using the app, go through 2-3 months' worth of Daily Current Affairs Capsules and try the monthly quizzes as well.
