

## **BSNL Exam Pattern for JE Recruitment 2016**

Bharat Sanchar Nigam Ltd. (BSNL) has released its notification this year for recruitment of 2700 Junior Engineers (JE) (erstwhile TTA). BSNL will conduct an online examination for filling up these posts. This post gives you details of the BSNL Exam Pattern for JE Recruitment 2016. You can also find link to the Detailed Syllabus below.

## Particulars of the BSNL Exam Pattern

For the Recruitment of Junior Engineers in 2016 (erstwhile known as TTA), BSNL will conduct an online examination.

- This All India ONLINE exam will consist of a single paper.
- It will be of three hours duration.
- The paper will consist of 200 objective type multiple choice questions.
- There will be negative marking.
- The paper may be held in various sessions but the tentative time slot is given as 10:00 am to 1:00 pm.
- The pattern of the paper is given below:

Paper	Subjects	No of Questions	Marks	Duration
Part-I	General Ability	20	20	3 hours
Part-II	Basic Engineering	90	90	
Part-II	Specialization	90	90	
TOTAL		200	200	

- You need to secure minimum qualifying marks for each of the three papers mentioned above. This minimum cut off is 30% for candidates belonging to Open Category and 20% for candidates belonging to other categories.
- In addition, you need to secure minimum qualifying marks in aggregate. This
  minimum qualifying mark is 40% for candidates in Open Category and 33%
  for other categories.
- Securing qualifying marks makes you eligible to be on the merit list but doesn't guarantee a place on it. Neither does it guarantee recruitment by BSNL.
- BSNL will not entertain re-evaluation requests.

## Detailed Syllabus for BSNL Exam for JE Recruitment 2016
