

# Vocabulary Learning Tips & Tricks for SSC & Bank Exams

The English section is a hard nut to crack in most banking and government exams and the upcoming SSC CGL, SBI Clerk or SBI PO exams are no exception to this rule. However, 70 - 80% of the English language section can be easily cracked if you have a good hold on **vocabulary**. Reading comprehension, Phrase Replacement, Para Jumbles, Synonyms & Antonyms, etc. require an effective vocabulary. Therefore, read this article thoroughly to hone your vocabulary learning skills and easily sail through the English Language sections of various banking exams.

# **Tips & Tricks for Easy Vocabulary Learning**

To build a good vocab you don't need to know every word in the dictionary. What you need is, the knowledge of words and the ability to relate a word to 'similar' or 'opposite' kinds of words. Most SSC, banking and government exams do not check whether you know exactly what a word means. Even if you don't know the precise meaning, having a loose idea will also help you score well. Just remember the following tips and tricks.

- Vocabulary learning is not a matter of a day or two, you have to **make it a habit**.
- Look for new words daily, find their meanings, synonyms and antonyms.
- **Read as much as possible** but do take care of what you read.
- Maintain a vocabulary learning notebook.
- 30 minutes a day for **revising** what you read the previous day is fruitful.

FASTEST WAY TO PREPARE CURRENT AFFAIRS
