JK Bank PO Reasoning Preparation Tips

Reasoning is a section that tests your knowledge of both Verbal and Non-verbal reasoning. It is important that you have both analytical skills and the ability to think critically to get through this section. Since reasoning ability section is little tricky and complex, it requires you to have a thorough practice in order to solve the questions. The JK Bank study plan for Reasoning Ability section is tabulated below:

JK Bank PO Reasoning Preparation Tips

Learn the basics of every topic you cover.

Don't learn set of steps to follow to complete a question. In the off chance if you forget a step, you will be stuck.

Make notes. This will help you in your last minute preparation.

Keep seeing examples to understand how questions are approached. Then use the same approach to solve practice questions.

Practice. Practice. Practice.
