2 Months SSC Stenographer Study Schedule for Grade C & D Exam 2018

The SSC Stenographer Exam is scheduled to take place from **1st February 2019** to **6th February 2019**. Every year Staff Selection Commission conducts this exam to fill vacancies for the post of [Stenographer in SSC](#). The syllabus is really vast and now that there are approximately 2 months left for the exam, you might worry how to prepare for SSC Stenographer. Moreover, there is a big question of where to begin from. You need a proper schedule & Study Plan to begin your preparations in the right direction.

Therefore, we are providing you with **SSC Stenographer Study Schedule** which is prepared by keeping in mind the exam pattern and detailed syllabus. This schedule will ensure that you pay attention to the required topics and prepare well for them.

This SSC Stenographer Study Schedule covers the detailed syllabus of **Online Exam** & helps you crack the exam in the first attempt. The study plan is prepared by Testbook experts **based on deep analysis of the syllabus & exam pattern**. So check this Study Schedule to give your SSC Stenographer Preparation 2018 the best shot.

Important Features of SSC Stenographer Study Schedule

- The topics under different sections are **arranged in an ascending order of the difficulty level**. Thus, the topics which are easy to understand and carry basic concepts are at the top of the study plan. Furthermore, the topics become difficult and time-consuming as you move down the table. Hence you get a solid base to understand different concepts.
- The SSC Stenographer Study Plan has been **prepared by considering the average time a student takes to study a topic**. Therefore, it is completely

How to Prepare for SSC Stenographer Exam

- Firstly, develop the habit of reading English-language newspapers every day. This is helpful in two aspects. You will become aware of the daily current affairs. Simultaneously, your vocabulary and reading speed will also improve.
- Once you are clear with the basics and covered some of the topics, start taking Full Mock Tests. Solve the Mock Test to analyze your performance. Don't feel bad if you score fewer marks. Mock tests are the best ways to get to know the areas that you are weak/slow at. Focus more and practice on those topics.
- Scoring less in mock tests is okay. This is because your goal of attending the mock tests should be learning from your mistakes. So that you can improve your performance.
