SIGNATURE CORNARO RITUAL

DIOCLETIAN'S SUPREME RITUAL - 110 MIN

Diocletian's supreme ritual is for women and men who seek the ultimate relaxing ritual and a journey through the traditional Roman ancient spa experiences. Not all beauty treatments are the work of experts and scientists! Back in the day, people used gifts of nature to achieve glowing skin, relax muscles, and nerve tensions.

Steps away from the famous Diocletian palace, you will be welcomed with Roman delicacies such as wine, grapes, and nuts. The following ritual consists of a full-body exfoliation with Dalmatian herbs mixed with white clay, signature four-hand massage, and unique face and scalp treatment with stones from the Dalmatian coast.
