[1] IMPORTANT INFORMATION ABOUT OUR DATA

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO2 emissions are measured in addition to fuel consumption. All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers.

Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel.

Actual figures for fuel consumption and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle’s actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Further information about the official fuel consumption and the official specific CO2 emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO2 Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html.

Effective from 1st September 2020.

**STANDARD EQUIPMENT.**

### sDrive18i Edition

#### Transmission and technology
- 7-speed Steptronic transmission with double clutch
- BMW TwinPower Turbo inline 3-cylinder petrol engine
- Driving Experience Control with ECO Pro mode
- Electric power steering with Servotronic
- Electronically controlled differential lock
- Performance Control braking system
- Start/Stop button

#### Exterior design and features
- 18" light alloy wheels Y-spoke style 566 with runflat tyres
- Exhaust tailpipe, single round, left side
- Exterior trim in satinsised aluminium
- Roof rails Aluminium satinsised

#### Light and Sight
- High-Beam Assist
- LED Headlights
- Rain sensor

#### Driver assistance
- Cruise control with braking function
- Driving Assistant incl. Speed Limit Info, Lane Departure and Forward Collision Warning
- Park Distance Control (PDC) front and rear
- Parking Assistant
- Rear View Camera

#### Safety
- Airbags, for front, side and head
- Central locking with electronic immobiliser and crash sensor
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Dynamic Brake Control (DBC), Dynamic Traction Control (DTC)
- Electrically operated park brake
- ISOFIX child seat mounting
- Runflat tyres
- Safety body shell
- Three-point seat belts
- Warning triangle and first aid kit

#### Entertainment, communication and information
- Bluetooth connectivity
- DAB+ digital radio tuner
- Navigation System, 8.8" colour display, touch functionality, iDrive Controller with high-resolution instrument cluster display
- Stereo speaker system, 100W, with 6 loudspeakers
- Telephony with wireless charging
- USB audio interface

---

### ConnectedDrive features
- Concierge Services*
- ConnectedDrive Services and Apps* incl Apple CarPlay
- Intelligent Emergency Call
- Real Time Traffic Information (RTTI) *
- Remote Services*
- TeleServices
  - * 3 year subscription

### sDrive18i in addition to sDrive18i Edition

- 18" light alloy wheels Y-spoke style 579 Bicolour without runflat tyres
- Automatic operation of tailgate
- Interior trim finishers Aluminium finely brushed, highlight trim finisher in Pearl Chrome
- Sport leather steering wheel with multifunction buttons
- Standard seats for driver and front passenger
- Storage compartment package
- Upholstery, 'Sensatec'

---

### sDrive20i in addition to sDrive18i

- BMW TwinPower Turbo inline 4-cylinder petrol engine
- 7-speed Steptronic sport transmission with double clutch and gearshift paddles on steering wheel
- BMW Head-Up Display
- Driving Assistant Plus incl. Active Cruise Control
- Exhaust pipe, round, left and right in High-gloss Chrome
- Interior and exterior mirror package
- Lights package
- Navigation System Plus, 10.25" colour display, touch functionality, iDrive Controller with high-resolution instrument cluster display
- Rear seat adjustment
- Seat heating for driver and front passenger

---

Vision and Sound Package

- **Panorama glass roof (402)**
The Panoramic glass sunroof provides mesmerising views and allows a great deal of light into the interior, lending it a particularly spacious and open ambience.

- **HiFi loudspeaker system Harman Kardon (674)**
The system’s sophisticated acoustic characteristics fill the space with their impressive sound. It consists of a total of 12 loudspeakers.

<table>

</tbody>
</table>

**Additional features for sDrive18i:**
- **Lights Package (563)**
The atmospheric Ambient lighting contains various LED lights and yields an ambience of pure quality.
- **Interior / Exterior mirrors package (430)**
Includes interior and exterior mirrors on driver’s side with automatic anti-dazzle function, electrically foldable exterior mirrors, automatic parking function for passenger mirror and mirror memory via Personal Profile.

</tbody>
</table>

- **Lumbar support (480)**
Is an air-chamber system in the driver and front passenger seat backrests that can be smoothly adjusted vertically and laterally. It provides support and effective relief for the spine, encouraging an orthopaedically correct seating position.

- **Seat adjustment, electric, with memory (459)**
Makes setting the driver and front passenger seat positions particularly convenient and easy. Seat position, seat height, backrest angle and seat angle can be individually and precisely adjusted on the front seats. Two different driver seat positions, including exterior mirror angle, can be saved with the memory function.

- **Comfort access system (322)**
Innovative and easy to operate – Comfort Access makes it possible to open the front vehicle doors and tailgate without having to use the car key.

**Additional features for sDrive18i:**
- **Rear seat adjustment (4FD)**
With the sliding rear seat bench, options for using the luggage compartment are particularly flexible. The seats can be adjusted to either increase leg room for the rear passengers to maximise loading space in the luggage compartment, depending on the needs for each journey.

---

**Genuine BMW Service**

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don’t have to waste a moment thinking about the cost of maintenance for your vehicle.

For more information visit bmw.co.nz/service

---

**BMW Driving Experience**

If you’ve ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email BMW@tracktime.co.nz
BMW ConnectedDrive.

The BMW ConnectedDrive Services & Apps are on hand to make sure you have more time for the important things in life. Various innovations by BMW make things more convenient for you every day – whenever you want.

BMW Emergency Call
automatically establishes a voice connection with the local emergency services without the use of a mobile phone. It transmits information about the vehicle’s current location and can be triggered manually in case other road users require help.

Real Time Traffic Information (RTTI)
collects current traffic information about motorways, main and country roads and the most important urban routes. It relays information about delays and dangers almost instantly and suggests the best alternative routes.

INTELLIGENT VOICE ASSISTANT
Offboard voice processing offers a functional extension of the intelligent voice assistant through server-based processing of speech input.

Apple CarPlay®
Enables wireless and comfortable usage of your iPhone® in your vehicle via Apple CarPlay®. Selected smartphone content can be displayed and operated via the user interface of the vehicle.

Tele Service
is a collection of intuitive technology features standard across the BMW range that make your life as a BMW owner easy, from remembering to book a due service, to monitoring the health of your battery and even providing technical support if needed.

Real Time Traffic Information (RTTI)

Concierge Service
is a personal telematic call service that connects you to a BMW operator, who will be able to quickly access the information you need 7 days a week, 24 hours a day.

BMW Connected+
Provides a more extensive level of integration of the BMW Connected App in your BMW. You can enjoy seamless connectivity between all BMW Connected touchpoints and your BMW and thus benefit from the personalised services supported by the BMW Open Mobility Cloud.
BMW Connected App.

The BMW Connected app learns your mobility routines, reads your calendar and knows when you need to leave, providing customers with a personal experience that is integrated into their everyday life. The app will allow customers to fully unleash the capabilities of BMW’s innovative technologies intuitively through your smartphone.

Learned destinations
BMW Connected learns your most frequently travelled routes and provides them as ‘learned destinations’ for future suggestions. If destinations are repeatedly visited, they are automatically listed at the usual time.

Digital Key
Digital Key for5 makes it easy to share your digital key with family and friends. You can send a digital key for your car to as many as five other people using the BMW Connected App. It can be installed on a compatible Samsung smartphone in just a few steps, allowing these people to unlock and lock your BMW and to start the engine.

Estimated time of arrival
Never be late again with detailed updates of your regular routes and alternative options so you can manage your journey and avoid delays.

Remote Services
enables customers to use a smartphone to locate where their BMW is parked, to lock and unlock the car remotely and much more.

Door to door guidance
Get detailed walking directions from your parking spot to your destination. A map with a location pin also shows where you last parked once you’re ready to head back to your car.

Time to leave
A notification on your Apple iPhone®, compatible Android phone, your Apple Watch® or Samsung Gear S3® watch will recommend a time to leave in order to arrive on time.
