

SOUTHEAST ASIA'S PREMIER E-COMMERCE FULFILLMENT PROVIDER

Technology and a global fulfillment network are at the heart of what we do. Our logistics network is powered by dependable fulfillment services, facilities close to your customers, and cutting-edge technology.

OUR MISSION

Boxme creates an **integrated platform** enabling e-commerce vendors to conveniently manage and expand their operations to the rest of the world.

Local insights help Boxme overcome barriers in cross-border commerce, culture and language; allow us to assist customers to penetrate the Southeast Asia region in the shortest time possible

OUR VISION

By working with **10,000+ e-commerce sellers** in the region and around the world, Boxme has become Southeast Asia's top e-logistics service provider. Boxme makes it easier for e-commerce businesses to expand globally by connecting them with the right local services & partners

CORE VALUES

Technology

Boxme uses technology to develop an operational system that can connect to other service providers, creating a unified and automatic experience for our customers.

Localization

Local insights help Boxme overcome barriers in cross-border commerce, culture and language; allow us to assist customers to penetrate the Southeast Asia region in the shortest time possible.

Customer care

Boxme streamlines the customer service process with one single contact point for all markets: our professional operation team that can support you with any logistics problems.

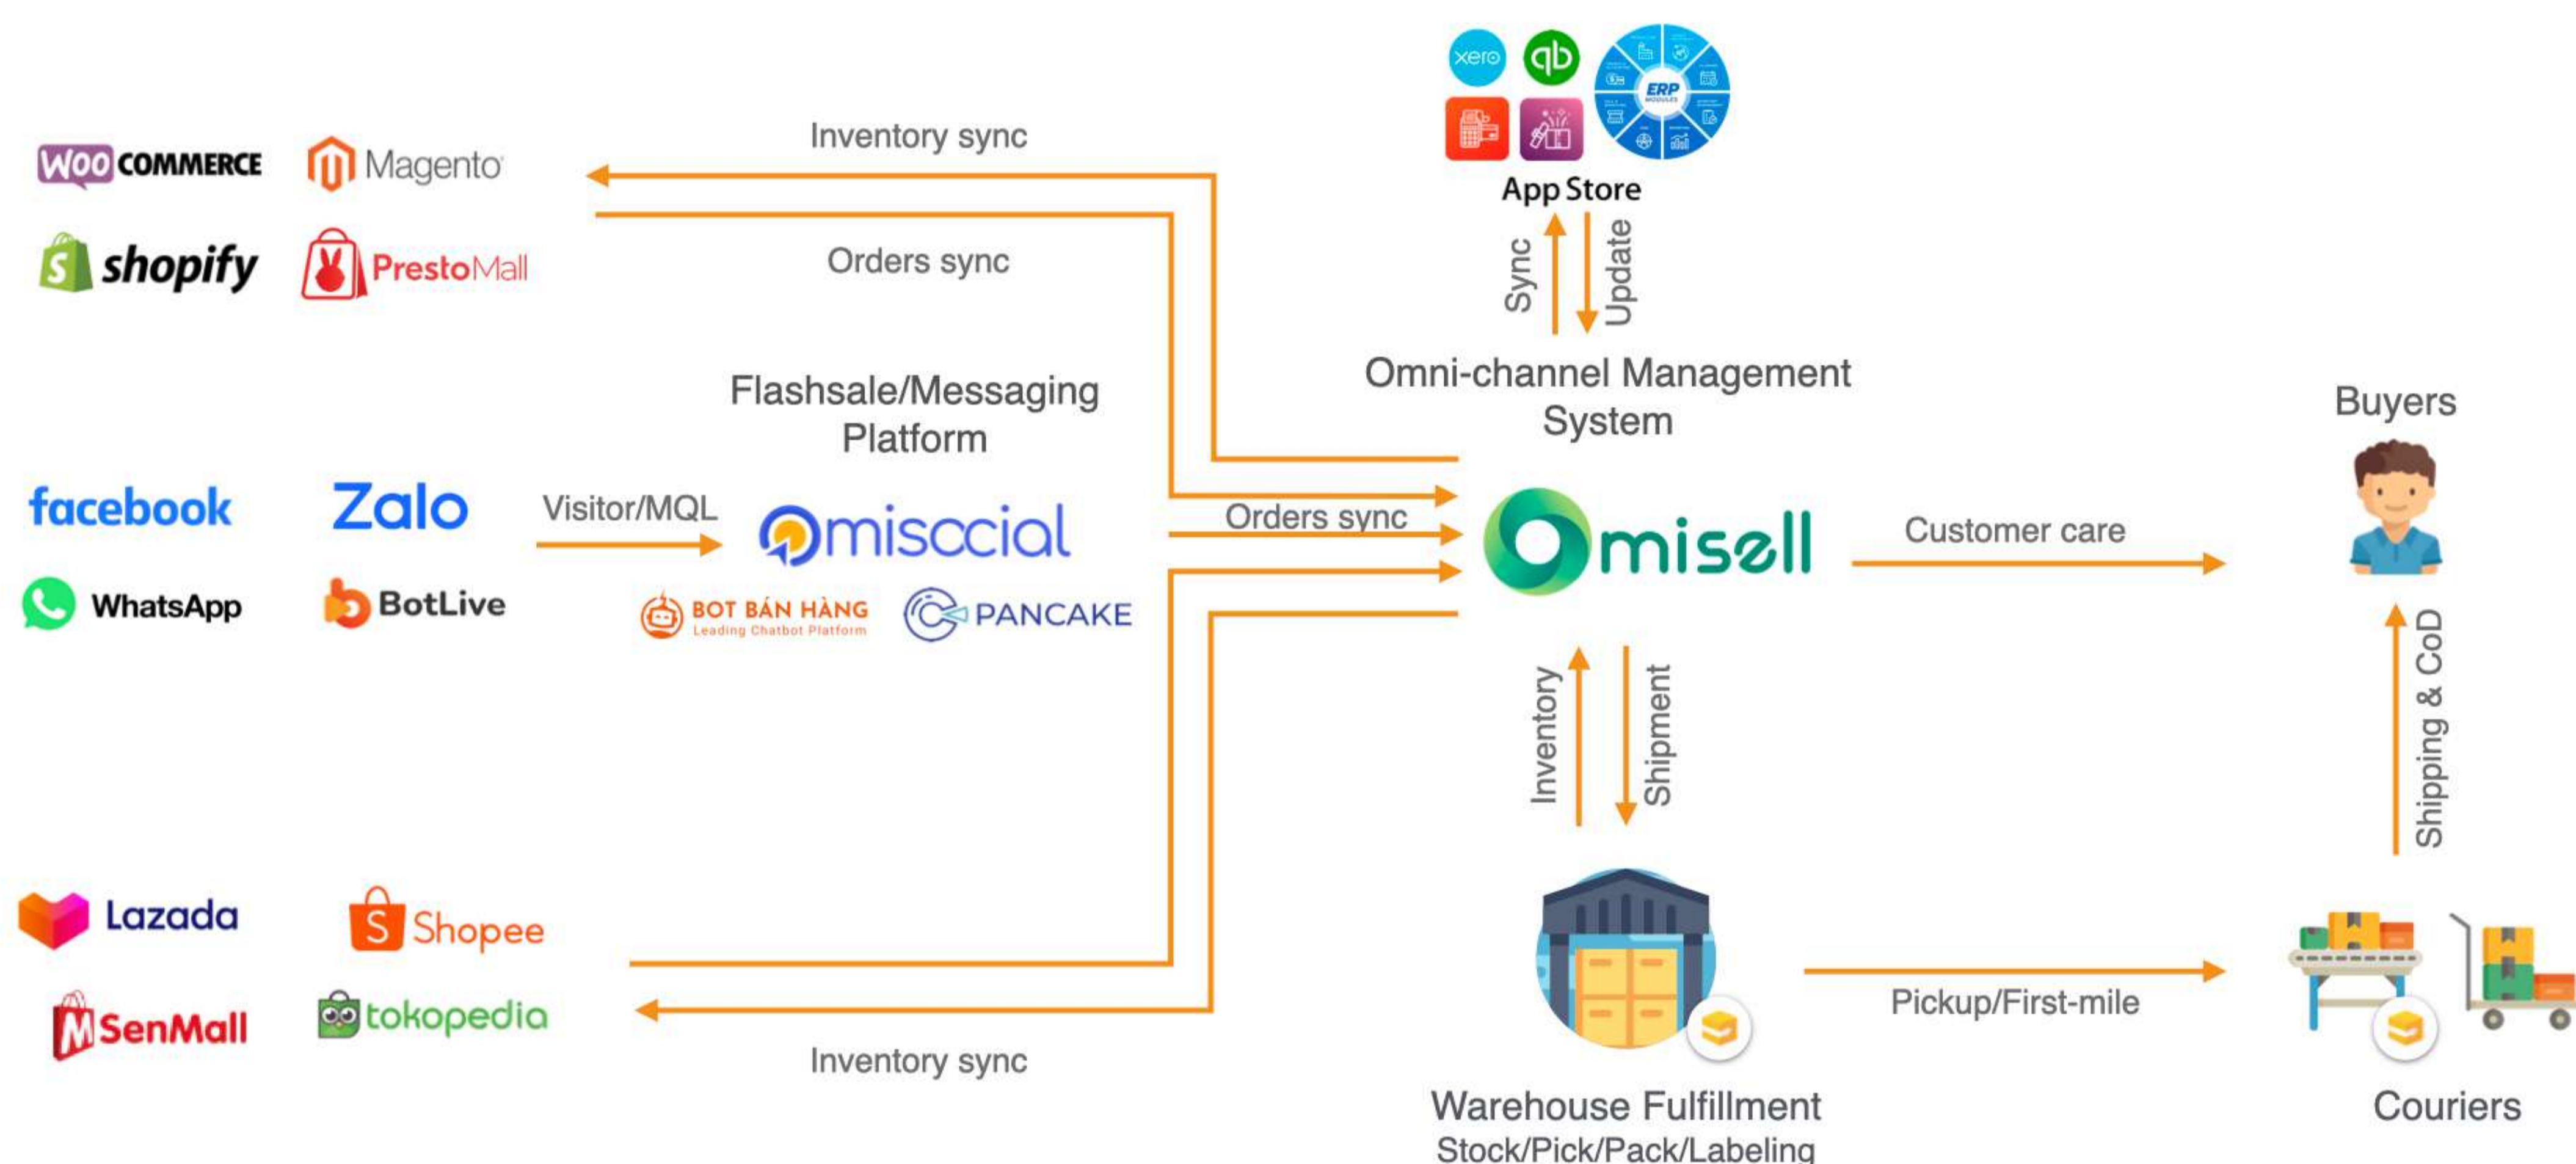

OUR SOLUTIONS AND SERVICES

Boxme is currently enabling hundreds of brands and enterprises to start and operate in Southeast Asia.

- Global Fulfillment**
Store your product at any Boxme's warehouse and let us handle the logistics. We will automatically manage your inventory, pick, pack, and transport your products to end customers at the lowest cost and in the shortest time possible.
- Global Shipping**
Our shipment management and last-mile delivery solutions are regionally developed and managed by logistics professionals to provide the best possible service to our customers.
- B2B Fulfillment**
Operate and manage your supply chain with both wholesale and retail orders using Boxme Global's Fulfillment service. We can assist you in operational optimization and management using one single system.
- Ecommerce Store management**
We assist you in opening and growing your store by adapting your present operations, analyzing your workflow, and combining our local knowledge to develop a unique plan. Allow us to properly manage your e-Stores so that you may focus on growing your business.
- Omni-channel Management**
Simply connect multi-channel and manage all your stores with Omisell - powered by Boxme

OUR ADVANTAGES

Automated fulfillment center significantly **reduces order processing time** by **replacing human material-handling** with a fully-automated system instead.
