

Instructions and safety precautions for parents

When using your Zowi please follow these safety recommendations:

- Parents or teachers must read all of the documentation included with this product.
- Do not use cables that have not been approved by the manufacturer, nor any damaged connectors or loose sockets.
- Do not bend or damage the micro USB cable. Do not touch the power cable with wet hands. Do not pull on the cable to unplug it from the computer or the electronics.
- It is recommended to use a micro USB cable of no more than 1.4m in length.
- Do not knock or drop Zowi.
- Handle and dispose of the consumables carefully.
- Ensure that the small parts, or any parts that could be dangerous for small children are kept out of their reach.
- Zowi must be charged using a micro USB charger of 5V and 1A. The toy should only be connected to protection class II equipment.

Class II equipment symbol

- BQ shall not be liable for any change of battery to one of another manufacturer.
 - Keep the toy and its accessories away from sources of heat and direct flames.
- Do not store or transport flammable liquids, gases or explosive materials in the same compartment as the Zowi or any of its parts or accessories.
- Ensure that the toy and its accessories do not come into contact with conductive liquids such as water.
 - Replacing the battery with one that has not been approved by the manufacturer may cause it to explode.

Warnings

- Take care when touching the moving parts as injuries could be caused.
- Not recommended for children under 36 months.
- The accessories and the plastic pieces are not edible.
- This toy is intended for children above 8 years old.

Warranty

Mundo Reader, S.L. (hereinafter, "Mundo Reader") provides this Limited Warranty to the purchaser(s) of the BQ product(s) included in the sales package (hereinafter, the "Product"). Mundo Reader guarantees that, for the duration of the Warranty Period, Mundo Reader (or a service agent authorised by Mundo Reader) shall correct, at no cost and in a commercially reasonable period of time, any material, design or manufacturing defects by way of repairing or replacing the Product at the discretion of Mundo Reader, in accordance with this Limited Warranty (except where the corresponding legislation provides for alternative measures).

This Limited Warranty shall only be considered valid and effective in the country in which the Product was acquired, provided that Mundo Reader intended for the Product to be sold in the said country. However, if the Product was acquired in a Member State of the European Union, this Limited Warranty shall be considered valid and effective. Certain limitations may be applied to the services covered by this Warranty due to the differing country-specific elements that may be found in the Product.

Information on the Warranty

Mundo Reader, S.L. (hereinafter, "Mundo Reader") provides this Warranty, subject to the warranty legislation of the country in which the product is sold, to the purchaser(s) of the BQ product(s) included in the sales package (hereinafter, the "Product"). For components of the Product which are not manufactured by Mundo Reader, the warranty cover will be determined by each manufacturer.

Mundo Reader guarantees that, for the duration of the Warranty Period, Mundo Reader (or a service agent authorised by Mundo Reader) shall correct, at no cost and in a commercially reasonable period of time, any material, design or manufacturing defects by way of repairing or replacing the Product, in accordance with this Warranty (except where the corresponding legislation provides for alternative measures). This Warranty shall only be considered valid and effective in the country in which the Product was acquired, provided that Mundo Reader intended for the Product to be sold in the said country. However, if the Product was acquired in a Member State of the European Union, Iceland, Norway, Switzerland or Turkey, and if Mundo Reader originally intended for the Product to be sold in one of these countries, this Warranty shall be considered valid and effective in all of the foregoing countries. Certain limitations may be applied to the services covered by this Warranty due to the differing country-specific elements that may be found in the Product.

Warranty Period

The Product may be comprised of a number of different parts, and these parts may be covered by different warranty periods (hereinafter, the "Warranty Period"). The general Warranty Period is twenty-four (24) months.

This Warranty will be invalidated by the circumstances described under the "What Isn't Covered?" section. (visit www.bq.com/gb/warranty).

To the extent permissible under the laws of the country, the Warranty Period shall not be extended, renewed or otherwise modified following the subsequent resale, repair or replacement of the Product by Mundo Reader.

However, any part(s) repaired or any products replaced during the Warranty Period shall be guaranteed for either the remainder of the original Warranty Period or a period of six (6) months from the date of repair or replacement, whichever is greater.

Claiming on the Warranty

If you wish to make a claim under the terms of this Limited Warranty, please send the affected Product or part, (if the Product is not affected in its entirety) to an authorised service agent of Mundo Reader. You can also call a support centre of Mundo Reader (charges may apply, depending on national rates or your service provider plan) in order to obtain more information on how to make a claim. Information on the customer service centres and agents authorised by Mundo Reader can be found on the original product packaging or on the local Mundo Reader websites.

Any claims made under the terms of this Limited Warranty shall be subject to notification of the presumed defect on your part to Mundo Reader or an authorised service agent of Mundo Reader, within a reasonable period of time following discovery of the said defect, and in any case, no later than the expiry date of the Warranty Period.

If you make a claim under the terms of this Limited Warranty, the following shall be duly forwarded: a) the Product (or the affected part) and b) the original receipt of purchase, clearly indicating the name and address of the vendor, the date and location of the purchase, the type of product and the serial number.

Other Important Information

Please ensure that you make security copies or backups of all the important data and content stored on the internal memory, as data and content could be lost during repair or replacement of the Product. Pursuant to the section on "Limitations to the Liability of Mundo Reader" below, Mundo Reader shall not be held liable under any circumstance, whether explicitly or implicitly, for any damage or loss of any kind resulting from loss, damage or distortion of the data or content during the repair or replacement of the Product.

Any parts of the Product or other equipment replaced by Mundo Reader shall become the property of Mundo Reader. If the Product is not covered under the terms and conditions of this Limited Warranty, Mundo Reader and its authorised service agents reserve the right to charge a fee for labour costs. When repairing or replacing the Product, Mundo Reader will use original products or parts that are new, as good as new or reconditioned.

Your Product and the software may include elements that are specific to your country. If the Product has been exported from the original destination to another country, it may include country-specific elements

that are not considered as defects under the terms of this Limited Warranty.

Limitations to the Liability of Mundo Reader

This Limited Warranty constitutes your sole and exclusive guarantee from Mundo Reader, and the sole and exclusive liability of Mundo Reader for any defects that may be found in your Product. This Limited Warranty replaces any other liabilities and guarantees that may have been provided by Mundo Reader, whether verbally, in writing, legal (non-statutory), contractual, non-contractual or of any other kind, including, but not limited to, and to the extent permissible by law, any other conditions, guarantees or other implicit terms pertaining to satisfactory quality or fitness for a specific purpose. However, this Limited Warranty shall not exclude or limit i) any legal (statutory) rights you may have under national law, nor ii) any rights you may have with regard to the vendor of the Product. To the extent permissible under the applicable law, Mundo Reader shall not be held liable for any loss, damage or distortion of data, loss of earnings, loss of utility or functionality, loss of business, loss of contracts, loss of profits, loss of anticipated savings, increased costs or expenses, indirect losses or damage of any kind, nor any losses or damage of a consequential nature or special nature. To the extent permissible under the applicable law, the liability of Mundo Reader shall be limited to the purchase value of the Product. However, the foregoing limitation shall not apply in the event of grave negligence or wilful misconduct on the part of Mundo Reader, or in the event of death or personal injury caused by demonstrable negligence on the part of Mundo Reader. NB: This product is a complex electronic device. Mundo Reader recommends that you carefully read the User Manual and instructions supplied with the Product, along with other related materials. Warnings relating to the Warranty

You can personalise your Zowi and update it with the latest new features as they appear in the community. However, it is important that you understand that modifying and integrating it with products other than those recommended on the www.bq.com website will immediately invalidate the Warranty. The Warranty covering the electronics will be invalidated if you make incorrect connections or if you modify the calibration of the servos.

Disposing of this product correctly

Electrical and electronic waste. Applies within the European Union and in European countries with selective waste collection systems.

The presence of this symbol on the product, the accessories or the informative material which accompany it, indicates that, at end of life, neither the product nor its electronic accessories (battery, cables, etc.) can be disposed of with other domestic waste. To prevent any damage to the environment or human health, separate these products from other types of waste and recycle them correctly. This will help promote the sustainable use of material resources. Household users should contact the retailer that they purchased the product from or the relevant local authorities to find out how and where they can recycle this product safely and without harming the environment. Business users should contact their supplier

and consult the terms and conditions of the purchase agreement. This product and its electronic accessories should not be disposed of with other commercial waste materials.
