TRIVIA

If someone tries a piece of equipment, class or activity once a day at the Houstonian Club, it would take two years to experience all that is offered.

The 16th G7 Summit treaties were signed in the Manor House in July of 1990.

The Houstonian was once the home of U.S. President George H.W. Bush and we serve Mrs. Bush's famous chocolate chip cookies (with permission from the Bush family of course!)
