

BROADVIEW

SENIOR LIVING
AT PURCHASE COLLEGE

Open the door to an *exciting future.*

Join a community that *promises connections.*

Broadview—Senior Living at Purchase College offers college-sponsored, faculty-led programs to Broadview residents and Purchase College students, and provides beautifully designed accommodations and premium services and amenities for Broadview residents.

Definitively different from senior living communities that merely affiliate with a college or university, Broadview and Broadview's storied, fascinating residents become a part of Purchase College. The result is an amazing, vibrant academic milieu in which older adults, students and faculty reach out to each other and connect.

Reserve your space and *reap the rewards.*

If you want to be part of a senior living community where learning opportunities and cultural activities abound, now is the time to reserve your place by making a no-risk, fully refundable deposit. By becoming a Broadview Charter Member, you'll be among a select group of future residents who enjoy exclusive benefits and savings, including:

- Best selection of residences at preconstruction pricing
- Updates on status and progress throughout the development process
- Charter Member social events where you'll meet your future neighbors
- Invitations to educational and lifestyle seminars
- Participation in programming of Broadview

Purchase College and your *charter membership*

Broadview Charter Members also enjoy these additional benefits:

- Free admission for performances in the conservatories of Music, Dance and Theatre Arts
- Free admission to exhibitions and lectures in the School of Art+Design
- Free admission to the Neuberger Museum of Art
- Discounted tickets to performances at The Performing Arts Center

Don't miss out on this *once-in-a-lifetime* opportunity.

As a Charter Member, you'll set yourself up for a lifestyle that older adults across the country find very attractive. And the response from the Westchester County-area seniors has been very positive. That's why it's critical to make your fully refundable deposit sooner, rather than later. You'll be among the first to choose your preferred floor plan and location — at preconstruction pricing — with plenty of time to plan your move before your residence is completed.
