

I Can Get It!

Mom has a box. It is a big box.

Bob taps the top. "Is it a bat?" Bob begs.

"It is not a bat," Mom yaps.

Bob tips the lid. "I bet I can get it. Is it a jet?"

"A jet is big," Mom yaks. "The box is big, but it is not as big as a jet."

Bob sits his bum on the box. "I can get it.

Is it a ten pin set?"

"It is fun," Mom yaps. "But it is not a ten pin set."

Bob tugs the box. "Is it a pig in a wig?" Bob kids. "Is it a bug on a rug? Is it a pan in a van? Is it a ham on a ram in a tam?"

"A ham on a ram?" Mom yaks. "It is not a ham. It is not a pig. It is not a cat. It is not a pan."

Bob hits the box. The box yips. The lid pops up.

"I got it, Mom. It is a dog!"

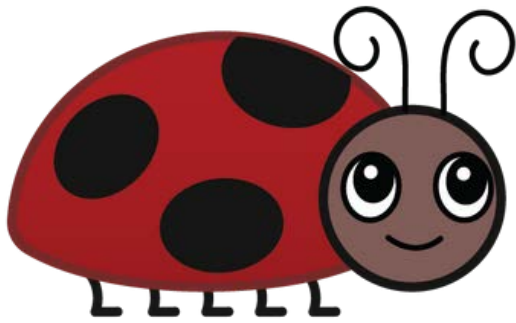

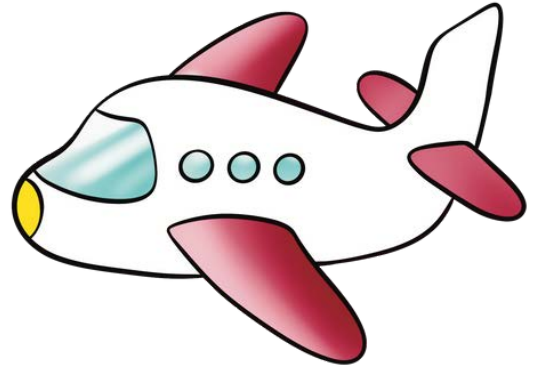

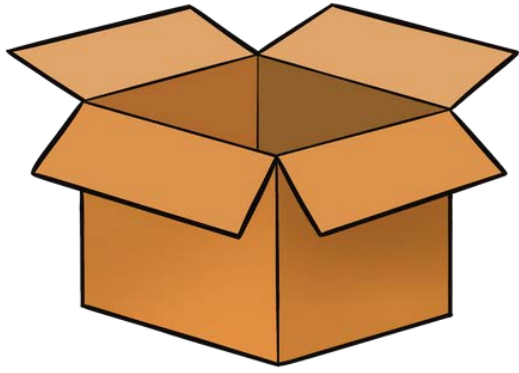

Mom nods. Mom got Bob a dog! It is a pug pup.

The pup hops on Bob. The pup nips Bob. The pup wags at Bob.

Bob hugs the dog. Bob did not get it. But Bub did get a pet.

Yes!
