The Stool

Faith 

**Joe, can you please give me a boost?
I am in the mood to play "Rain Day," but I cannot reach it.
It is too high on the shelf.**

Joe 

Just get the green stool!

Faith 

**The bedroom closet is too deep.
I do not feel the stool. I need a light.**

Joe 

**You can use the flashlight.
The flashlight will be bright.**

Faith 

What did Mom do with the flashlight when she cleaned up?

Joe 

Beats me. Maybe it is in the toolbox.

Faith 

**Joe! The flashlight is not in the toolbox.
And I do not see the stool.**

Joe 

So hook the game with the broom.

Faith 

Sheesh! Please just give me a boost, Joe.

Joe 

Okay, okay! I will boost you.

Faith 

Joe! You were sitting on the stool.

Joe 

Oops! Well, at least we can play!
