

# ALUMNI LOUNGE WOOD

## DESIGN BY

Geke Lensink / Jesse Visser

## DESCRIPTION

This lounge chair has a solid wooden oak base to get that cosy appearance which makes it suitable for lounge, waiting and lobby areas. The base is provided with a quick click solution for any floor surface.

The Alumni Lounge Wood, provided with slim looking upholstery, offers surprising comfort due to innovative furniture upholstery methods.

## MATERIALS

base: solid oak wood

exterior seat: coated aluminum

interior seat: upholstered with fabric/ leather

## CLEANING INSTRUCTIONS

### solid oak wood:

Keep clean with a cotton cloth. Remove stains with a moist cloth or with some soapy water (without glycerin!!) or -if necessary- with for example Muscle kitchen cleaner or Cillit Bang Power degreasing cleaner. After this, clean the table well with clean water in order to eliminate all cleaning liquids previously used. However, avoid the surface becoming too wet. End with a dry cloth. Always work in the direction of the grain of the wood.

Never use wax, wax containing substances or abrasives.

### coated aluminum:

Dust with a soft, dry cloth or clean with soapy water. Can be moistured slightly with spiritus. Treat once a year with acidfree vaseline.

## NOTE
