

ALUMNI STOOL

DESIGN BY

Geke Lensink / Jesse Visser

DESCRIPTION

This stool has a solid wooden oak base to get that cosy appearance which makes it suitable for dining, bar, exhibition and office use.

The Alumni Stool has a stainless steel stripe, which is nicely integrated in the wooden sport, and the base is provided with a quick-click solution for any floor surface.

MATERIALS

base: solid oak wood

exterior seat: coated aluminum

interior seat: upholstered with fabric/ leather

CLEANING INSTRUCTIONS

solid oak wood:

Keep clean with a cotton cloth. Remove stains with a moist cloth or with some soapy water (without glycerin!!) or -if necessary- with for example Muscle kitchen cleaner or Cillit Bang Power degreasing cleaner. After this, clean the table well with clean water in order to eliminate all cleaning liquids previously used. However, avoid the surface becoming too wet. End with a dry cloth. Always work in the direction of the grain of the wood. Never use wax, wax containing substances or abrasives.

coated aluminum:

Dust with a soft, dry cloth or clean with soapy water. Can be moistured slightly with spiritus. Treat once a year with acidfree vaseline.

NOTE

"Create your own" and download at our 3D configurator.

SEAT COLORS
