

# L.A.F. WOOD

**DESIGN BY**

Geke Lensink / Jesse Visser

**DESCRIPTION**

This chair has a clear design with a solid wooden oak base to get that cosy appearance and is suitable for dining, conference and waiting areas.

The L.A.F. Wood has an inserted base and this base is inserted with a quick-click solution for any floor surface.

The base is available in two heights.

**MATERIALS**

base: solid oak wood

seat: polyurethane (PU)

**CLEANING INSTRUCTIONS**

**solid oak wood:**

Keep clean with a cotton cloth. Remove stains with a moist cloth or with some soapy water (without glycerin!!) or -if necessary- with for example Muscle kitchen cleaner or Cillit Bang Power degreasing cleaner. After this, clean the table well with clean water in order to eliminate all cleaning liquids previously used.

However, avoid the surface becoming too wet. End with a dry cloth. Always work in the direction of the grain of the wood.

Never use wax, wax containing substances or abrasives.

**PU:**

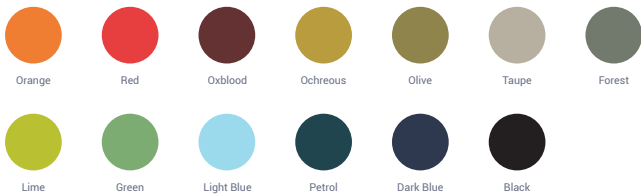

Clean the soiled area with mild soap and water then rinse with fresh water and wipe dry.

Detailed instruction; on request
