

MONKEY HIGH

DESIGN BY

Geke Lensink / Jesse Visser

DESCRIPTION

This sturdy stool with tactile shapes suits every Giraffe High as well as many other standing tables and is suitable for bar, restaurant, exhibition and office use.

The Monkey High is made of solid oak wood with a steel-coated base.

MATERIALS

solid oak wood

base: coated steel

CLEANING INSTRUCTIONS

solid oak wood:

Keep clean with a cotton cloth. Remove stains with a moist cloth or with some soapy water (without glycerin!!) or -if necessary- with for example Muscle kitchen cleaner or Cillit Bang Power degreasing cleaner. After this, clean the table well with clean water in order to eliminate all cleaning liquids previously used. However, avoid the surface becoming too wet. End with a dry cloth. Always work in the direction of the grain of the wood. Never use wax, wax containing substances or abrasives.

coated steel:

Dust with a soft, dry cloth or clean with soapy water. Can be moistured slightly with spiritus. Treat once a year with acidfree vaseline.

NOTE

"Create your own" and download at our 3D configurator.

STAINED COLORS

Naturel Mouse Grey Dark Brown Smoked Black

BASE COLORS

Black Nickel
