MAKING UP

PRESS as described in the information panel.

As there is no neckband on this garment, ensure all ends are sewn in neatly. See information panel for finishing instructions, setting in sleeves using the shallow set-in method.

FINISHING INSTRUCTIONS

PRESSING

After darning in all the ends, block each piece of knitting. Press each piece, except ribs, gently, using a warm iron over damp cloth. Take special care to press the edges as this will make the sewing up both easier and neater.

SEWING UP

When stitching the pieces together match the colour patterns very carefully. Use a back stitch for all main knitting seams and an edge to edge stitch for all ribs unless otherwise stated. Join left shoulder seam using back stitch and neckband seam (where

appropriate) using an edge to edge stitch.

Sleeves

Set-in sleeves: Set in sleeve easing sleeve head into arm hole using back stitch,

Square set-in sleeve: Set in sleeve head into armhole, the straight sides at top of sleeve to form a neat right-angle to cast off sts at armhole on back and front using back stitch.

Shallow set-in sleeves: Join cast-off sts at beg of armhole shaping to cast -off sts at start of sleeve-head shaping. Sew sleeve-head into armhole, easing in shapings.

Straight cast-off sleeve: Place centre of

cast off edge of sleeve to shoulder seam. Sew in sleeve using back stitch using markers as guidelines where applicable.

Join side and sleeve seams using back stitch.

Pockets and buttons (as appropriate)
Slip stitch pocket edgings and linings into place.

Sew on buttons to correspond with button holes.

After sewing up, press seams and hems. Ribbed welts and neckbands and any areas of garter stitch should not be pressed.
