ATTENTION: les colonnes doivent être fixées à un mur ou à des meubles adjacents. /

CAUTION: columns must be fastened to a wall or to nearby pieces of furniture.

! ATTENTION/ CAUTION

Four, plaques de cuisson et autres sources de chaleur à n'utiliser qu'avec les portes entièrement ouvertes !
Risque de brûlure, de départ de feu ou de dégradation du produit.

Never close the door if an oven, hotplates or any heat sources are on!

Risks of fire starts, dangerous burns or product's damage

Attendre que le four soit froid avant de fermer la porte /
Wait until the oven is cold before closing the door

! ATTENTION/ CAUTION

Pensez à la ventilation haute et basse de l'ensemble en fonction des appareils intégrés ! Différentes découpes et adaptations peuvent être nécessaires. / *Be careful about the unit top and bottom ventilation, depending on the integrated household! Different cuttings and adaptations could be necessary.*
