

2026 Bucks 5K Series – Celebrating 30 Years

The Bucks 5K Series, a registered 501(c)(3) nonprofit organization, will commemorate three decades of running events in Bucks County in 2026. Each year, the Series hosts seven races from March through June across Doylestown, Newtown, Yardley, Plumsteadville, and Buckingham. Designed to welcome participants of all ages and abilities, these events support local charities, encourage family engagement, and promote community health and fitness. Since its inception, the Series has raised over two million dollars, including more than \$145,000 distributed locally in 2025.

Sponsorship opportunities are available for one of the nation’s longest-running race series. Established in 1995, the Bucks 5K Series was conceived when local race organizers recognized that scheduling conflicts were dividing participant pools among individual races. The Series now streamlines operations by managing timing, awards, post-race refreshments, public relations, marketing, and enhancements to ensure each race is distinctive. The Board of Directors is comprised entirely of dedicated volunteers and operates without paid staff.

Under the leadership of Dr. Johnny King-Marino, the Series has experienced significant growth in participation and earned widespread recognition for its innovative format.

Sponsors receive prominent visibility throughout race communications, event signage, and across our marketing platforms.

Sponsorship Commitment Form

To request a sponsorship level, please complete our online sponsorship form <https://www.bucks5kseries.com/sponsors/opportunities>.

You will be provided with an invoice once your sponsorship level has been confirmed. Sponsorships are offered at a first-come basis. We encourage sponsorship payments by check payable to Bucks 5K Series and mailed to: PO Box 421, Fountainville, PA 18923.

Credit card payments are subject to processing fees, which reduce the net amount available to support our charitable and community partners.
