

Burns Pet Nutrition provide Hypoallergenic Dog food Products

Burns Pet Nutrition supply [hypoallergenic Dog food](#) products on their website which is great for sensitive dogs. Since the year 1993 Burns Pet Nutrition have been the leaders in natural, healthy products for pets all around the world.

The main goal of Burns Pet Nutrition is to design products that ensure no common health problems arise in pets. Fortunately, pets including dogs, cats and rabbits are the winners. Burns Pet Nutrition is very proud of the products they have designed and how their products are natural, [hypoallergenic pet food](#) that is free from artificial chemicals and preservatives.

Burns Pet Nutrition also want to announce that their customers can avail the company's free pet nutrition advice service, by freephone, email or live chat. With over 50 years of experience with animals, pets and animal nutrition, each person involved in the company can offer professional pet nutrition advice, and this is five days a week.

Say for example you are caring for a new puppy for the first time and learning about pet nutrition, well Burns Pet Nutrition can offer 20 advice leaflets which are available digitally on their website or via Freepost.

Some of Burns Pet Nutrition award-winning products and hypoallergenic for that matter include the Chicken and Brown Rice, which is a Burns original award-winning recipe from 1993 and developed by John Burns. Its excellent benefits are natural, hypoallergenic and highly digestible and suitable for even the sensitive of dogs. The ingredients of the product are straightforward and straight forward such as Brown Rice (46%), Chicken Meal (37%), Maize, Chicken Fat, Chicken Livers, Seaweed, Vitamins & Minerals. You can purchase two sizes – 2kg and 5kg.

Then you have the Burns Original – Fish & Rice. This Burns' Original Fish & Brown Rice recipe contains everything an adult dog needs for good health and vitality. Because of all the essential nutrients it has, it can help maintain healthy skin, coat and proper digestion. This one is particularly good for any health issues your dog may have. It's also suitable for pets from 9 months old, hypoallergenic and gluten-free. It has no wheat, beef or dairy and is highly recommended for any dogs with food intolerances.
