Asia's leading trade fair for evolving green industries

Fco Expo Asia serves as the foremost global trade platform for the ever evolving environmental protection industry. The fair explores the newest trends in the industry by showcasing the latest green products, equipment and pioneering technologies, Co-organised by the Environment Bureau of the HKSAR Government, the Expo provides B2G and B2B opportunities for the green industry with strong support from Mainland China, Hong Kong and international government authorities and industry associations.

Green building investment opportunities in Asia

\$16 trillion worth of green building investment opportunities, over half of the total global amount

\$1.8 trillion worth of green building investment opportunities South Asia

East Asia & Pacific

4.1 billion people are expected to live in urban areas by 2030

More than 50% are predicted to live in Southeast Asia and rapid growth of megacities is expected

*statistics according to International Finance Cornoration (IEC), a member of the World Bank Group

Asia's growing demand for renewable energy

The energy demand in Asia is expected to double in 10 years from 2019 and the demand for renewable energy is predicted to reflect this growth according to the Asian Development Bank (ADB). The region requires viable solutions to successfully develop the usage of renewable energy. Support from governments, investors and energy providers will be crucial.

Global green financing on the rise

\$93 trillion

Estimated total of worldwide green infrastructure investment needed between 2015 - 2030 to meet climate change commitments

▲ 78%

\$155 billion green bonds were issued between 2016 and 2017, an annual growth of 78%

*statistics according to The Global Commission on the Economy and Climate Change

Visitors' Nature of Business (2019)

Exhibitor testimonial

"Most of the Asian markets are very under-developed and under-utilised. We want to get involved to see how we can set up partnerships and develop the market more for our products. At this expo, there's a lot more targeted interest in our products compared to other trade fairs that we've joined. There are high-quality contacts and high-quality opportunities. We'll definitely return again." Chris Ohlmann, Managing Director, Embedia (Canada)

"I think Hong Kong is one of the places in Asia worth visiting. If you want to find new things and development, you have to come here. The development in Southeast Asia is so rapid, it can help speed up your own activities as well." György Kovách, Sales Director, Kis-Izolátor (Hungary)

亞洲環保業的領先貿易展

國際環保博贊為不斷發展的環保行業提供全球首屈一指的商貿平台。展示最新的環保產品、設備及開創性技術、掲 **示行業的最新趨勢。博覽由香港特區政府環境局協辦、獲中國內地、香港及國際政府部門和行業商會的鼎力支持。** 為環保行業提供企業對政府(B2G)及企業對企業(B2B)的商機。

亞洲區內綠色建築投資機會

南亞地區

東亞及太平洋地區

預計到2030年、城市人口將 高達41億

超過五成人口預計居於東南亞, 帶動特大城市急速發展

參展商評語

「我們今年是第一次參加這個展會, 目前我們在展會上 已經跟幾組客人談到報價的階段。國際環保博覽的確是 亞洲其中一個具影響力的商貿平台、特別在流 程和規劃方面我們覺得非常不錯。我 們認為在這裡參展能夠遇到比較跟 我們切合的客戶, 而且來這裡觀 展的人素質都相對高, 也有很多 歐美客戶, 我們非常看好未來 亞洲環保產業的發展。」 薩瑞特有限公司 工程師 林育 (台灣)

總經理 杜仲文(中國內地)

「這次來到國際環保博覽會主要想了解行業的最新資訊 和技術, 已經分別跟來自香港和法國的公司交流, 作進 一步的了解。另外,我覺得商業配對服務對我們 來說很有幫助, 主辦單位在開展前已經把 相關的展商資料傳給我們,讓我們更 容易找到合適的展商。成功率會比較 高。我們之前去廣州那邊的展覽 規模雖然比較大,不過沒有類似的 配對服務,主要是收集資料為主。 這種配對服務能夠節省時間, 我們 可以直接跟展商洽談生意。 廣東粵豐新能源投資有限公司

國際環保博覽為環保服務公司提供一個理想平台,掌握區內商機,並打入亞洲市場。

Government Convention and Exhibition Industry Subsidy Scheme 政府會議展覽業資助計劃

To further assist companies in exploring markets and business opportunities through the Hong Kong trade platform, the HKSAR Government has launched a **one-off subsidy** scheme to subsidise companies – local or overseas, large or small – to participate in exhibitions organised by the Hong Kong Trade Development Council. The scheme will last for one year. Companies will be **subsidised 50% of the participation fee** per participation in HKTDC's exhibitions during the period, subject to a cap of **HKD10,000**. Eco Expo Asia 2020 is covered under this subsidy scheme. The subsidy will be deducted directly from the participation fee.

為進一步協助企業多利用香港商貿平台去拓展市場和商機,香港特別行政區政府已推出一項一次性計劃,資助公司參與香港貿易發展局舉辦的展覽。計劃為期一年。於計劃下,任何本地或海外公司,不論大小,每參與一項期內的香港貿發局展覽,可獲資助一半參展費,上限為港元10,000。資助計劃將包括國際環保博覽2020在內,資助將由參展費直接扣除。
