- Men's baseball wins WCC regular season title and ends regular season in top 25

World Languages at BYU

Ranked No. 3 for the most bachelor degrees in a foreign language, BYU teaches twice as many advanced classes as lower division classes. Approximately 65 percent of BYU students speak a second language, with 131 languages spoken on campus. Of those students who have served a mission for The Church of Jesus Christ of Latter-day Saints, 45 percent learned a language during their service and many achieve advanced proficiency.

Current language offerings include:

- 63 different languages ranging from Arabic to Welsh
- Competency-based language certificates in 15 languages
- Foreign language student housing in 10 languages
- Translation and localization courses
- Graduate courses in language, literature, and second language teaching
