#### **BYU STORYLINES**

• BYU's victory over Weber State gave Dave Rose his 26th win over an in-state opponent since taking over the program in 2006. He is 26-6 against in-state teams, giving him an 81.3 winning percentage, the best in the state since the 2005-06 season. He'll have a chance to add to that mark against Utah State in February.

- Brandon Davies had the best offensive game of his career on Saturday at Weber State, scoring a careerbest 33 points on 14 of 17 shooting from the field and 5 of 6 from the free throw line. He has scored 20-plus points five times including three of the last four games.
- Tuesday's game is the second meeting between BYU and Eastern New Mexico. On Jan. 2, 2010, BYU defeated the Greyhounds 95-49. Tyler Haws and Brandon Davies had eight points apiece and Brock Zylstra had three.

#### LAST TIME OUT - DAVIES LEADS BYU TO 78-68 VICTORY OVER WEBER STATE

OGDEN, Utah – Brandon Davies scored a career-high 33 points to lead BYU to a 78-68 victory over Weber State Saturday night. The victory was the first road win for the Cougars this season and ends Weber State's 20-game home winning streak.

Tyler Haws, who shot 10 for 10 from the free throw line, finished with 23 points – the seventh time this season he has scored 20 or more points in a game. BYU extends its record to 7-3 overall on the season and Weber State falls to 4-3.

On the team's first possession, Josh Sharp fed Davies in the post, but the ball was deflected. Sharp recovered the ball and fed Davies again, who put the Cougars up 2-0 with a dunk. The next play down the floor Sharp fed Davies again and he scored inside to make it 4-1 BYU.

Meanwhile, Weber State's Davion Berry kept the Wildcats going with a driving jumper and a three. Weber's first and only lead of the game came at 10-8 following a dunk from Kyle Tresnak at the 16:55 mark. The Wildcats came within two several times but were unable to get any closer the remainder of the game.

With 15:30 left in the first half, BYU led 14-10. Haws and Davies were the only Cougars to take a shot up to this point with eight and six points, respectively.

Later in the first half Davies continued to take things into his own hands, scoring eight-straight points for the Cougars to give BYU a 26-19 lead. He then ran the length of the floor to block a layup attempt from Weber State's Frank Otis.

With 3:00 remaining in the first half, the Cougars led 32-23. The Wildcats hit a three to close the gap to six but Craig Cusick answered right back with a layup. With less than a minute remaining, Weber State's Scott Bamforth pushed Haws from behind, sending him to the free throw line. Haws hit both attempts to extend the Cougars' lead to 10 at 36-26 as they headed to the locker room.

Davies led all scorers in the first half with 18 points and Haws added 12. BYU shot 48 percent from the field to Weber State's 41 percent and 100 percent from the free-throw line (12-12) to Weber State's 22 percent (2-9). Davies struck first to open the scoring in the second half, putting the Cougars up 38-26. Following Davies' basket the Wildcats went on a 9-0 run with a two layups, a jumper and a three-point play to close the gap to 38-35.

BYU ended Weber's streak with another basket from Davies. A few plays later, Carlino drove to the basket for his first score of the night and a 42-35 Cougar lead with 16:47 to go. The Wildcats cut BYU's lead to two with a pair of free throws and two jumpers. The Cougars' lead bounced back and forth between two and seven during the middle of the second half as both teams exchanged baskets.

Weber State once again closed the lead to two at 51-49 with a three and a layup. BYU struck back quickly with an 8-0 run that included two Haws free throws, a Cory Calvert three and fast-break layup from Raul Delgado. Following a Weber State free throw, Davies added back-to-back buckets and Calvert added a layup to give the Cougars their largest lead of the game at 65-50 with 6:01 remaining.

Haws scored nine points in the last 4:47 to help BYU maintain a double-digit lead the rest of the way. ## 2012-13 STORYLINES AND NOTES

#### Player and team notes

- Craig Cusick and Agustin Ambrosino made their first starts of the season against Cal State Northridge, replacing Matt Carlino and Josh Sharp in the starting five. For Cusick it was his fourth career start and for Ambrosino his first. Cusick has remained a starter while Sharp has returned to the lineup. Carlino returned to the starting lineup at Weber State, replacing Brock Zylstra. BYU coach Dave Rose has used four different starting lineups this season.
- BYU defeated Utah despite shooting just 31.1 percent (19 of 61) from the field. The Cougars have shot 31.1 percent or worse 27 times since the 1960-61 season and won just three of those games. In addition to the Utah win, BYU defeated UC Santa Barbara 57-48 on Dec. 29, 1999 while shooting 29.6 percent (16 of 54) and Air Force 68-60 on Feb. 13, 1992 while shooting 30.4 percent (17 of 56).
- Tyler Haws hit 10 of 10 from the free throw line vs. Weber State, his second-consecutive game shooting 100 percent from the line while attempting at least 10 free throws and his third this season. Haws has four such games in his career, tied for the most in BYU history with Jimmer Fredette. Haws is tied with Russell Larson (1993-94) and Roberts (1994-95) for most perfect days from the line (minimum of 10 attempts) in a season with three. Danny Ainge, Lee Cummard, Larson and Roberts are tied for second on the career list with three.

#### Haws the closer

Tyler Haws has played some of his best basketball in the final five minutes of games this season. Against Cal State Northridge, BYU trailed 74-73 with less than four minutes remaining. Haws hit a jumper with 3:44 to go to give BYU the lead and had 10 of the Cougars' final 14 points to help secure the 87-75 win. Against Utah BYU trailed 58-56 before Haws completed a three-point play with 2:47 to go. He added two free throws with 16 seconds remaining to secure the 61-58 win. After struggling from the field the first 35 minutes at Weber State, Haws scored nine points in the last five minutes on 3 of 3 shooting from the field and 2 of 2 from the free throw line. For the season, Haws is 12 of 15 from the field, 2 of 3 from three and 11 of 12 from the free throw line in the last five minutes of games.

#### Fast start for Tyler Haws

Tyler Haws opened 2012-13 with one of the best starts to a season in the history of BYU basketball. He started the season with six-straight 20-point games, the second best such streak in program history. Only Devin Durrant started a season with more consecutive 20-point games, seven in 1983-84. Haws's streak ended when he scored 18 against Montana in the seventh game of the season. What makes Haws's start even more impressive is that he's the only sophomore on the list and he returned in April from a two-year mission for The Church of Jesus Christ of Latter-day Saints in the Philippines.

#### Davies does it all

Brandon Davies stuffed the stat sheet in the opener against Tennessee State, tallying 16 points, 7 rebounds, 3 assists, 4 blocks and 2 steals while drawing 3 charges. He did it again vs. Georgia State with 28 points, 9 rebounds, 3 assists, 3 blocks and 2 steals. Davies had maybe his most complete game against Montana with 21 points, 10 rebounds, 6 assists, 2 blocks and 4 steals. Through 10 games he is averaging 19.4 points, 7.4 rebounds, 2.6 assists, 1.8 blocks and 1.3 steals. Last season he became the second Cougar in history to average at least one of everything (points, rebounds, assists, steals and blocks). Russell Larson is the only other BYU player to produce a 'one of everything' season and did so twice, in 1993-94 and 1994-95 (blocks and steals were not tracked until the 1977-78 season).

#### Dave Rose

BYU head coach Dave Rose has led BYU to its most successful eight-year run since taking over in 2005. His career record of 192-57 ranks him second in BYU history in total victories and first in winning percentage (.771). Rose has been named conference coach of the year three times, district coach of the year twice and has guided the Cougars to four conference titles, six NCAA Tournament appearances and six 25-win seasons. In 2010 he led BYU to its first NCAA Tournament win in 17 years and the Cougars have also won at least one tournament game in the two seasons since, including a trip to the Sweet 16 in 2011.
