HEAD COACH JENNIFER ROCKWOOD

**JENNIFER
ROCKWOOD**
HEAD COACH
29TH YEAR AT BYU
Career Record: 442-126-54
BYU '89

As the only BYU women's soccer head coach in program history, Jennifer Rockwood has established herself as one of the premier coaches in Division I soccer today. With an overall career record of 442-126-54 in her 29 years at the helm of the program, Rockwood has accomplished great things and coached remarkable players.

Before transitioning to a Division I program, Rockwood led the BYU women's soccer club team for seven years, amassing an overall record of 128-25-9. In the final two years as a club team, Rockwood took her teams to the Western National Collegiate Club Soccer Association title and placed second in the NCCSA National Championships.

As a player, Rockwood spent one year at Rick's College on a basketball scholarship before transferring to BYU where she became a four-year starter at center midfield on

the Cougars' club soccer team. Rockwood has also coached youth club programs, high school teams and the Utah Olympic Development Program.

During her tenure at BYU, Rockwood has accomplished several major feats. She has taken the Cougars to 23 NCAA tournament appearances, including seven third rounds ("Sweet Sixteens"), three quarterfinals ("Elite Eights"), and one finals appearance. Her 2021 team made it to the National Championship game for the first and only time in program history, falling to Florida State in penalty kicks.

The Lake Oswego, Oregon native is 12th in the NCAA Division I soccer for most **all-time** wins, and eighth in **active** career winning percentage (.754). She is the third coach to start an NCAA Division I program and win 300 games there. Rockwood is also the sixth NCAA coach to win 300 games at one school.

As head coach at BYU, Rockwood has led her team to seven Mountain West Conference Tournament

Championships, six MWC regular-season titles and nine West Coast Conference championships.

Rockwood has been recognized by three conferences for her prestige as a collegiate coach, earning WAC Coach of the Year in 1996, MWC Coach of the Year in 2000 and 2008, and earning the WCC recognition for Coach of the Year four times during her tenure (2012, 2014, 2018, 2019).

Rockwood has also earned the title of West Region Coach of the Year in both 1996 and 2012. Her staff was recognized in 2019 for their incredible achievements, earning the honor of United Soccer Coaches Regional Staff of the Year.

The Governor's State of Sports Awards also named Rockwood the 2016 Women's Coach of the Year after an 18-3-1 final season record.

After taking her team to BYU's first-ever NCAA College Cup finals, Rockwood and staff were named the 2021 NCAA DI Women's Staff of the Year by the United Soccer Coaches.

Rockwood has coached 26 winning seasons at BYU, and has ended the season ranked in the top 25 16 times, with five top-10 rankings and three top-five rankings. She has coached 20 All-Americans, two of which are on the current roster (Brecken Mozingo and Jamie Shepherd).

Seven MAC Hermann Trophy candidates, four MAC Hermann Trophy semifinalists and two finalists have played for Coach Rockwood at BYU. She has seen fourteen former players go professional, and nine players who have played U-20 or higher on the United States Women's National Team.

Currently, there are four former Cougs playing professional soccer. Ashley Hatch, Mikayla Cluff, Cameron Tucker and Michele Vasconcelos are all playing in the NWSL. Hatch has also played with the USWNT for several tournaments dating back to 2016, including the 2022 CONCACAF tournament. THE ROCKWOOD LEGACY

Jen is such a successful coach because she influences each of her players both on the field and off the field. She knows how to bring the best out of people and help them reach their full potential. I personally wouldn't be who I am today if it weren't for Jen and everything she taught me as a soccer player, but even more importantly, as a person. The success that the BYU soccer program has had is a direct reflection of who Jen is!
 - Mikayla Colohan (BYU soccer alum; NWSL Orlando Pride)

"I really enjoyed my time playing for Jen at BYU. Jen has the ability to bring the best out of players and I am forever grateful for the opportunity I had to play for her. Throughout my career at BYU Jen helped me develop an attacking mindset that has helped me develop into the player I am today."
 - Ashley Hatch (BYU soccer alum; USWNT; NWSL Washington Spirit)

Jen is an amazing coach who helped me become a better soccer player. More importantly, however, Jen is a trusted friend and mentor who has helped me become a better person. I will forever be grateful for Jen's ongoing influence in my life.
 - Cameron Tucker (BYU soccer alum; NWSL Houston Dash)

MISSIONARY TRADITION

GO FORTH TO SERVE

Brigham Young University is owned and operated by The Church of Jesus Christ of Latter-day Saints and the missionary program is one of its most recognized characteristics. Latter-day Saint missionaries can be seen on the streets of hundreds of major cities in the world as well as in thousands of smaller communities.

The missionary effort is based on the New Testament pattern of missionaries serving in pairs, teaching the gospel and baptizing believers in the name of Jesus Christ (see, for example, the work of Peter and John in the book of Acts).

More than 54,000 full-time missionaries are serving missions for The Church of Jesus Christ of Latter-day Saints. Most missionaries are young people under the age of 25, serving in 407 missions throughout the world. Single men serve missions for two years and single women serve missions for 18 months.

Missionary work is voluntary. Missionaries fund their own missions — except for their transportation to and from their field of labor — and are not paid for their services. Missionaries avoid entertainment, parties or other activities common to this age-group as long as they are on their missions, so they can focus entirely on the work of serving and of teaching others the gospel of Jesus Christ.

The Church of Jesus Christ of Latter-day Saints was officially organized on April 6, 1830 with six members. Today, congregations of the Church total over 16 million members, and it is one of the fastest growing religions in the world and one of the largest Christian churches in the United States.

The Church of Jesus Christ of Latter-day Saints is Christian, but is neither Catholic nor Protestant. Rather, it is a restoration of the original church established by Jesus Christ. For more information on the beliefs of the Church of Jesus Christ of Latter-day Saints, visit www.ChurchofJesusChrist.org.

The BYU women's soccer team is unique in that it currently has 10 players on the team who have served full-time missions, with two others currently serving. The women's soccer team has the most active and returned missionaries among all the women's athletic programs at BYU.

CONFERENCE SUCCESS

BYU women's soccer has a history of remarkable conference success, dating back to 1996 when it won its first conference title in the Western Athletic Conference. Since joining the Mountain West Conference in 1999, BYU has earned 15 regular-season championship trophies, including nine in the West Coast Conference. The longest regular-season conference championship title streak for BYU is five years in a row, running from 2012-2016. While the WCC does not have a conference tournament, BYU earned the title of conference tournament champion seven times in the MWC and once in the WAC. The Cougars will now prepare to enter their first season in a new conference, beginning Big 12 competition in September.

SOUTH FIELD

Considered one of the toughest places for opponents to play in collegiate soccer, South Field was the top home venue in college women's soccer in terms of attendance per game in 2019 (2,945), 2021 (2,513) and 2022 (3,186). BYU broke program records for single game attendance in 2017 when it hosted No. 1 UCLA (5,735). Since 1995, the Cougars have gone 237-29-13 on South Field.

Located just south of the Smith Fieldhouse, South Field boasts one of the best-maintained grass playing surfaces in the NCAA. In fact, the U.S. Men's National Soccer Team chose South Field as its practice field in preparation for the 2005 World Cup qualifier against Costa Rica. South Field is also equipped with state-of-the-art field lights, making night games a favorite among fans. In addition, the Wasatch Mountains serve as a scenic backdrop for the dedicated fans.

This popular facility underwent renovations in March 2008 and Spring 2017. The South Field now features a permanent grandstand of 20 rows that accommodates 4,200 spectators in chair and bench-back seating. The grandstand is 26 feet high, 216 feet across and 65 feet deep. In 2017, the field was replaced and a concrete pad was installed under the press tent.
