MEET YOUR 2024 COUGARS

## 2024 SEASON PREVIEW

BYU women's soccer enters its second year in the Big 12 Conference, returning just two starters from last year's College Cup roster, under the direction of head coach Jennifer Rockwood.

The Cougars welcome three transfers in MacKenzie Vance, Savannah Hansen and Mattyn Summers and welcome back one returned missionary, Abbie Kotter. Eight freshmen also join the Cougs: Presley Freeman, Emma Hamberlin, Lucy Kessler, Mika Krommenhoek, Ella Labrum, Sommer Nestman, Abbi Sine and Paiton Collins.

In 2023, Rockwood led BYU to the NCAA College Cup Semifinal and an overall record of 20-3-3. The Cougars went undefeated in conference play in their first season in the Big 12, going 7-0-3.

Seniors Olivia Wade-Katoa, Laveni Vaka and Brecken Mozingo earned All-America honors after their successful season. Mozingo tallied a team-high 14 goals, 15 assists and 83 shots, while Wade-Katoa added 12 goals and eight assists. Vaka played and started in all 25 matches for the Cougars, totaling a team-high 2,182 minutes on the pitch.

The Cougars head into their second season as members of the Big 12 conference with a young starting lineup, returning only two players from last year's starting squad. After graduating 11 seniors last season, the Cougars will rely on their veteran bench, 19 of which were members of the 2023 NCAA College Cup team.

The Cougars' 11-game 2024 Big 12 schedule will feature six home dates with Arizona State (Sept. 12), Utah (Sept. 23), Oklahoma State (Sept. 26), Iowa State (Sept. 30), Baylor (Oct. 17) and Houston (Oct. 21), and five road matches against TCU (Sept. 19), Arizona (Oct. 4), Kansas (Oct. 10), Kansas State (Oct. 14) and Texas Tech (Oct. 25).

Prior to beginning non-conference play, the Cougars will open the 2024 season with a Blue/White game on South Field (Aug. 3), and two exhibition games, hosting UVU on Aug. 7 and Wyoming on Aug. 9.

BYU's non-conference schedule consists of three home games and four away contests. The Cougars will host Wisconsin (Aug. 15) before hitting the road for three away matches against St. Louis (Aug. 22), Long Beach State (Aug. 24) and UCLA (Aug. 28). BYU will return home for a pair of matches with Utah State (Aug. 31) and Boise State (Sept. 4), before traveling to Arkansas (Sept. 7) to close out non-conference play.

## MISSIONARY TRADITION

**GO FORTH TO SERVE**

Brigham Young University is owned and operated by The Church of Jesus Christ of Latter-day Saints and the missionary program is one of its most recognized characteristics. Latter-day Saint missionaries can be seen on the streets of hundreds of major cities in the world as well as in thousands of smaller communities.

The missionary effort is based on the New Testament pattern of missionaries serving in pairs, teaching the gospel and baptizing believers in the name of Jesus Christ (see, for example, the work of Peter and John in the book of Acts).

More than 54,000 full-time missionaries are serving missions for The Church of Jesus Christ of Latter-day Saints. Most missionaries are young people under the age of 25, serving in 407 missions throughout the world. Single men serve missions for two years and single women serve missions for 18 months.

Missionary work is voluntary. Missionaries fund their own missions — except for their transportation to and from their field of labor — and are not paid for their services. Missionaries avoid entertainment, parties or other activities common to this age-group as long as they are on their missions, so they can focus entirely on the work of serving and of teaching others the gospel of Jesus Christ.

The Church of Jesus Christ of Latter-day Saints was officially organized on April 6, 1830 with six members. Today, congregations of the Church total over 16 million members, and it is one of the fastest growing religions in the world and one of the largest Christian churches in the United States.

The Church of Jesus Christ of Latter-day Saints is Christian, but is neither Catholic nor Protestant. Rather, it is a restoration of the original church established by Jesus Christ. For more information on the beliefs of the Church of Jesus Christ of Latter-day Saints, visit [www.ChurchofJesusChrist.org](http://www.ChurchofJesusChrist.org).

The BYU women's soccer team is unique in that it currently has 10 players on the team who have served full-time missions, with three others currently serving. The women's soccer team has the most active and returned missionaries among all the women's athletic programs at BYU.

After taking her team to BYU's first-ever NCAA College Cup finals, Rockwood and staff were named the 2021 NCAA DI Women's Staff of the Year by the United Soccer Coaches.

Rockwood has coached 27 winning seasons at BYU, and has ended the season ranked in the top 25 17 times, with six top-10 rankings and four top-five rankings. She has coached 22 All-Americans, three of which were on the 2023 roster (Brecken Mazingo, Olivia Katoa, Laveni Vaka).

## MISSION AND AIMS OF BYU

**BYU MISSION STATEMENT**

The mission of Brigham Young University—founded, supported and guided by The Church of Jesus Christ of Latter-day Saints—is to assist individuals in their quest for perfection and eternal life. That assistance should provide a period of intensive learning in a stimulating setting where a commitment to excellence is expected and the full realization of human potential is pursued.

All instruction, programs, and services at BYU, including a wide variety of extracurricular experiences, should make their own contribution toward the balanced development of the total person. Such a broadly prepared individual will not only be capable of meeting personal challenge and change but will also bring strength to others in the tasks of home and family life, social relationships, civic duty, and service to mankind.

To succeed in this mission the university must provide an environment enlightened by living prophets and sustained by those moral virtues which characterize the life and teachings of the Son of God. In that environment these four major educational goals should prevail:

1. All students at BYU should be taught the truths of the gospel of Jesus Christ. Any education is inadequate which does not emphasize that His is the only name given under heaven whereby mankind can be saved. Certainly all relationships within the BYU community should reflect devout love of God and a loving, genuine concern for the welfare of our neighbor.
2. Because the gospel encourages the pursuit of all truth, students at BYU should receive a broad university education. The arts, letters, and sciences provide the core of such an education at BYU, which will help students think clearly, communicate effectively, understand important ideas in their own cultural tradition as well as that of others, and establish clear standards of intellectual integrity.

3. Because the gospel encourages the pursuit of all truth, students at BYU should receive a broad university education. The arts, letters, and sciences provide the core of such an education at BYU, which will help students think clearly, communicate effectively, understand important ideas in their own cultural tradition as well as that of others, and establish clear standards of intellectual integrity.
4. Scholarly research and creative endeavor among both faculty and students, including those in selected graduate programs of real consequence, are essential and will be encouraged.

In meeting these objectives BYU's faculty, staff, students, and administrators should also be anxious to make their service and scholarship available to The Church of Jesus Christ of Latter-day Saints in furthering its work worldwide. In an era of limited enrollments, BYU can continue to expand its influence both by encouraging programs that are central to the Church's purposes and by making its resources available to the Church when called upon to do so.

We believe the earnest pursuit of this institutional mission can have a strong effect on the course of higher education and will greatly enlarge Brigham Young University's influence in a world we wish to improve.

South Field is also equipped with state-of-the-art field lights, making night games a favorite among fans. In addition, the Wasatch Mountains serve as a scenic backdrop for the dedicated fans.

This popular facility underwent renovations in March 2008 and Spring 2017. The South Field now features a permanent grandstand of 20 rows that accommodates 4,200 spectators in chair and bench-back seating. The grandstand is 26 feet high, 216 feet across and 65 feet deep. ## SOCCER FACILITIES

**INDOOR PRACTICE FACILITY**

The IPF is 106,000 square feet and had new turf put in during the summer of 2017. The indoor surface is brand new field turf and the building features four video platforms located 40 feet above the playing surface. The IPF serves as an indoor practice area for soccer, golf, baseball, softball and football teams and a variety of other sports programs, including extramurals and intramurals.

**STRENGTH AND CONDITIONING CENTER**

Success begins with training, and BYU has a state-of-the-art strength and conditioning center with nearly 10,000 feet of working space that ranks among the nation's best. The center features 106 stations to accommodate both female and male athletes. BYU's well-structured strength and conditioning program is playing an increasingly vital role in the success of its collegiate athletic programs.

The primary goal of the BYU program is to keep athletes healthy and prepared for competition by reducing their susceptibility to injury. BYU's strength and conditioning staff has experienced excellent results through its computer-analyzed combination of a strict weight and conditioning program, a carefully planned diet and sufficient rest.

Patterned to include the best features of weight rooms, the BYU facility is both functional and attractive, providing both variety and ample space.

**WOMEN'S SOCCER TEAM ROOM**

Renovated in the summer of 2022, the women's soccer team room is located in the Smith Fieldhouse, along with the coaches offices.

With a built-in projector and white board used for film review and game plans, the team room is the perfect place for BYU's elite soccer program to prepare for gameday. A display case in the corner also features various College Cup trophies and conference titles.

THE ROCKWOOD LEGACY

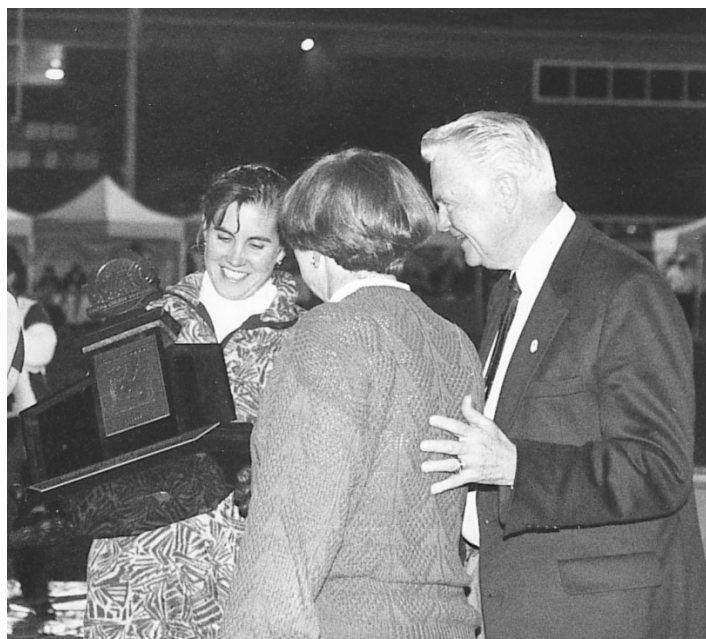

*Jen is such a successful coach because she influences each of her players both on the field and off the field. She knows how to bring the best out of people and help them reach their full potential. I personally wouldn't be who I am today if it weren't for Jen and everything she taught me as a soccer player, but even more importantly, as a person. The success that the BYU soccer program has had is a direct reflection of who Jen is!*

**- Mikayla Colohan (BYU soccer alum; NWSL Orlando Pride)**

*"I really enjoyed my time playing for Jen at BYU. Jen has the ability to bring the best out of players and I am forever grateful for the opportunity I had to play for her. Throughout my career at BYU Jen helped me develop an attacking mindset that has helped me develop into the player I am today."*

**- Ashley Hatch (BYU soccer alum; USWNT; NWSL Washington Spirit )**

*Jen is an amazing coach who helped me become a better soccer player. More importantly, however, Jen is a trusted friend and mentor who has helped me become a better person. I will forever be grateful for Jen's ongoing influence in my life.*

**- Cameron Tucker (BYU soccer alum; NWSL Houston Dash)**

## CONFERENCE SUCCESS

BYU women's soccer has a history of remarkable conference success, dating back to 1996 when it won its first conference title in the Western Athletic Conference. Since joining the Mountain West Conference in 1999, BYU has earned 15 regular-season championship trophies, including nine in the West Coast Conference. The longest regular-season conference champion title streak for BYU is five years in a row, running from 2012-2016. While the WCC does not have a conference tournament, BYU earned the title of conference tournament champion seven times in the MWC and once in the WAC. The Cougars will now prepare to enter their first season in a new conference, beginning Big 12 competition in September.

TWINS REPRESENTING TONGA

L A V A &amp; D A V I V A K A

# CALLED UP

Laveni and Daviana Vaka, twin sisters who played on the BYU women's soccer team together from 2019-2022, traveled to Fiji to compete with the Tonga women's national team in the 2022 OFC Women's Nations Cup.

After a first-round loss to Samoa, 2-0, Tonga tied Cook Islands 1-1. Without a win under its belt, Tonga played Papua New Guinea in the knockout stage of the tournament.

In the match against PNG, Laveni sent a long-ball down the field to her sister Daviana, who collected the ball and fired off a 35-yard strike over the goalkeeper's head for her first international goal.

Despite a loss to PNG, Laveni earned Player of the Match recognition for her determination, hard work and leadership on the pitch.

Laveni graduated from BYU in 2023, while Daviana has transferred to the University of Florida for her final year of eligibility.

2023 SEASON REVIEW

## 2023 SEASON REVIEW

Izzi Stratton

Lynette Hernaez

The BYU women's soccer team concluded its 2023 season with an undefeated record in conference and on South Field, making a run to the College Cup for the second time in program history.

Finishing with a record of 20-3-3, the Cougars finished the season at No. 4 in the United Soccer Coaches poll. BYU's dominant offense clinched the No. 1 spot nationally in shots per game with 20.96 and the No. 1 spot in total goals with 79. The Cougars' goalkeepers and backline also racked up nine shutouts and a 0.761 save percentage.

After beating then-No. 1 UCLA, the Cougars were ranked No. 1 in the nation for the first time in program history.

BYU's 80 total assists this season ranks No. 2 overall in BYU's record book. The 79 goals ranks No. 4 in the record book, with the 238 points also ranking No. 4. The 545 shots taken by the Cougars this season also ranks No. 4.

The Cougars were ranked No. 6 heading into their ninth-straight NCAA Tournament appearance. BYU earned a No. 1 seed for the first time since 2012, earning the opportunity to host four rounds of the tournament on its home field. The Cougars opened the 2023 NCAA Tournament with back-to-back shutout victories over Utah State (2-0) and USC (1-0) on South Field. These wins were followed by a 3-1 win over Michigan State and a historic 4-3 comeback victory over North Carolina in the Elite Eight, sending the Cougars to their second-ever College Cup.

The Cougars were led by 11 seniors this season, eight of which were huge contributors in the starting lineup. Seniors Brecken Mozingo, Laveni Vaka and Olivia Wade-Katoa had breakout seasons, earning them each significant national attention. Mozingo and Vaka were selected as MAC Hermann Trophy semifinalists, with Mozingo being named one of three finalists on Wednesday, Dec. 6. Along with teammate and senior captain Jamie Shepherd, Mozingo, Vaka and Wade-Katoa were all named to the All-Midwest Region Team.

## 2023 SEASON REVIEW

Holding BYU's new record for most games played by a women's soccer player at 108, Shepherd has played more career minutes than anyone else on the BYU roster, also tallying one goal and five assists this season. Shepherd's control at the center of the field allowed the Cougars to maintain possession of the ball and find opportunities to shoot against some of the greatest soccer programs in the nation, including UNC and UCLA.

Wade-Katoa helped lead the Cougars to their second College Cup berth in the last three seasons. With 12 goals and eight assists on the season, the senior captain was a major part of BYU's offensive success. With two assists and three goals during the Big 12 Tournament, Wade-Katoa was also named to the All-Big 12 Second Team and the Big 12 All-Tournament Team.

As one of BYU's strongest defensive forces in the center back position, Vaka played a team-high 2,272 minutes on the pitch this season. Her presence on BYU's backline earned national recognition as she was selected as a member of the All-Big 12 First Team.

Leading the Cougars in goals (14), assists (15), points (43) and shots (89) this season, Mozingo earned many national accolades. The Sandy, Utah native earned All-Big 12 First Team honors and was named to the Big 12 All-Tournament Team. With five goals and five assists throughout the NCAA Tournament, Mozingo was also selected for the NCAA College Cup All-Tournament Team, along with sophomore defender, Izzi Stratton. With her MAC Hermann Trophy Finalist selection, she became only the third BYU player in program history to earn that honor. Mozingo's 36 career goals is ranked No. 10 in the BYU record book, while her 37 career assists puts her at No. 4 overall.

With 294 career shots, she finds herself ranked No. 5 in BYU's record book for total career shots.

Senior forward Bella Folino added nine goals, two assists and 40 shots as a starter. With 107 career games played, she ranks No. 2 in BYU's history behind teammate Shepherd for most games played by any women's soccer player. Her 37 career goals puts her at No. 8 in BYU's record book for total goals. Holding a 4.0 GPA through her undergrad and MBA program at BYU, Folino earned the prestigious Elite 90 award, presented to her at the 2023 College Cup.

BYU had five players who scored more than 10 goals this season: Mozingo (14), Wade-Katoa (12), Ellie Walbruch (11), Allie Fryer (10) and Erin Bailey (10). The Cougars outscored their opponents 79-28.

Senior defender Zoe Jacobs scored her first career goal during the 2023 season. The Cougars had four players play in their first collegiate matches this season: Lynette Hernaez, Camryn Jorgensen, Ella Rustand and Jacey Wood.
