QUOTES

AMBER WHITING - BYU HEAD COACH

OPENING STATEMENT

"I saw a lot of improvements tonight in a lot of things and we were short handed. In times like that, you get to see who is on the boat with you and I love the fight the girls had out there. They gave everything they had so I'm super proud."

ON COLD SHOOTING

"We got a lot of wide-open threes, it just wasn't our night. I mean, 27 percent from three, we don't normally shoot like that, so we have to clean it up."

ON HOW TO FINISH A CLOSE GAME

"One of these times it is going to work, but it never comes down to that last play. It comes down to shooting 27 percent from three, giving up an offensive rebound put-back or whatever it is."

ON BOUNCING BACK AFTER LOSSES

"I can't say enough good things about this group. The fact that they play with so much passion, grit and toughness, they hold each other accountable and they are going to give you everything that they have. The fact that they bounce back every single game just shows their character and who they are as individuals. I don't doubt that they are going to turn around and show up to play Saturday"

JR PAYNE - UNIVERSITY OF COLORADO HEAD COACH

OPENING STATEMENT

"I really want to give credit to both teams tonight. Both teams really wanted this game and I thought they competed, battled, made big plays and big shots, and this was, in some ways, a heavyweight fight. This is what the Big 12 is all about."
