

FEATURES:

1 Electrical Test:

- A. 250V AC max at 2 amps.
- B. Dielectric with standing 500volts AC.
- C. Insulation Resistance:500 megaohms.
- D. Termination Resistance:35megaohms.

2 Mechanical:

- A. Cable-to-Plug tensile strength-20LBs (89N)min.
- B. Durability:500 mating cycles.

For standard Wire

8p8c plug

(0.36)
