ELITE SHARK CA300H

The ELITE SHARK CA300H is a real eye-catcher in every gaming room or study with an impressive design, a clever layout and a striking front panel. The side panels made of tempered glass allow a view of the tidily planned interior of the case. The RGB illuminated I/O panel on the side of the case blends in with the accomplished look of the LED lighting, and thanks to the parallelogram openings of the steel front panel design, the colorful display of the RGB LED fans comes into its own.

Features

IMPRESSIVE CASE DESIGN
The expressive front panel of the CA300H immediately catches the eye with its geometric design and the three RGB LED fans which shine behind it. The side panels made of tempered glass allow a clear view of the tidy interior, which is additionally illuminated by the fourth RGB LED fan located on the rear of the case. In order to achieve unique lighting effects, the LEDs of all installed fans can be specifically controlled via the software of compatible mainboards which have a pinout of 5V-D-coded-G or 5V-D-G.

RGB ILLUMINATED I/O CONTROL PANEL
Instead of positioning the I/O panel on the top of the case, as per common designs, we have placed it on the side. In addition to the usual audio and USB ports, we have also outfitted the CA300H case with a USB Type C port. The I/O panel is given the final touch by having its own RGB illumination.

CONSTANT AIRFLOW FOR FULL POWER
Three pre-installed RGB LED fans in the front and one on the rear provide the CA300H with a constant airflow. The top of the case even offers a complete opening with a perforated cover for fans and radiators. The three 120 mm RGB LED fans in the front can be replaced with larger 140 mm models, if desired. In addition, an up to 420 mm radiator in the front or an up to 360 mm radiator on the top can be installed inside the case.

STYLISH SHOWCASE FOR PREMIUM COMPONENTS
Hardware which has been built into an ELITE SHARK case deserves to be seen. Therefore, we have outfitted the CA300H with two tempered glass side panels. The left side panel provides full insight into the interior of the case so that installed components can be perfectly displayed. With the right side panel, the lowest area of the tempered glass is toned in black so that the components inside the power supply tunnel do not distract from the overall visual effect of the case. SSDs with RGB elements or imposing HDDs come here into their own. Cable tangles don't have a chance: Cabling can simply disappear inside a roomy cable compartment, which can be opened and closed, as well as behind a movable cable cover.

LARGE, STURDY TOWER WITH PLENTY OF SPACE
The interior is spacious and has a well-designed layout to support complex systems. Large graphics cards with a length up to 42.5 cm, power supplies up to 24 cm long, and CPU coolers with a height of 16.5 cm will all easily find space inside. Additionally, up to seven 2.5" or four 3.5" drives can be installed into the solid case.

Specifications

Product Name	ELITE SHARK CA300H
Color Versions	Black, White
Form Factor	ATX, E-ATX
Dimensions (L x W x H)	50.5 x 23.5 x 52.0 cm
Weight	14.7 kg
Interior Painting	✓
Tool-Free Devices Installation	✓
Water Cooling Pump Holder	✓
Cable Management System	✓
Side Panel	Tempered Glass
Expansion Slots	8

I/O

Type C (USB 3.2 Gen 2) (Left): 1 | USB 3.0 (Left): 2 | Audio (Left): ✓

Max. Drive Bays

4 x 3.5" | 7 x 2.5"

Fan Configuration

Front Panel	3x 120 mm Addressable RGB LED Fans (Pre-Installed) or 3x 140 mm Fans (Optional)
Rear Panel	1x 120 mm Addressable RGB LED Fan (Pre-Installed)
Top Panel	3x 120 mm or 2x 140 mm Fans (Optional)

RGB Compatibility

Type	Addressable
Ports	8
Manual Control	20 Modes
Mainboard Compatibility	MSI Mystic Light Sync, ASUS Aura Sync, Gigabyte RGB Fusion Ready, ASRock Polychrome Sync
RGB Pinout	5V-D-G & 5V-D-coded-G

Compatibility

Mainboard	Mini-ITX, Micro-ATX, ATX, E-ATX, SSI CEB, SSI EEB
Max. Length Graphics Cards	40.0 / 42.5 cm*
Max. Height CPU Cooler	16.5 cm
Max. Length Power Supply	24.0 cm
Max. Height Radiator incl. Fan (Front)	5.7 cm
Max. Height Radiator incl. Fan (Top)	6.0 cm

Package Contents

ELITE SHARK CA300H, Accessory Set, Manual

EAN Code

ELITE SHARK CA300H Black	4044951030156
ELITE SHARK CA300H White	4044951030422

* Without front fan.
