

 **Sharkoon**

SKILLER
SFM10
GAMING FLOOR MAT

TOP FEATURES

Robust and extremely durable surface material

Highly durable stitching preventing fraying

Rubber base for a perfect grip

URBAN DESIGNS WITHOUT WEAR OR TEAR

With the SKILLER SFM10, a floor mat makes its entrance into our popular SKILLER series. Every floor type gets a protective upgrade and a fresh, new look. A selection of differently designed Sharkoon graffiti and logos decorates the black background surface of the floor mat. The conveniently large size and the nonslip underside ensure full freedom of movement and a secure hold on the ground. With its robust manufacturing and a high degree of resilience, sensitive floors will remain reliably protected.
