COMFORT FUNCTIONS

Extra-Large Adjustment Handle

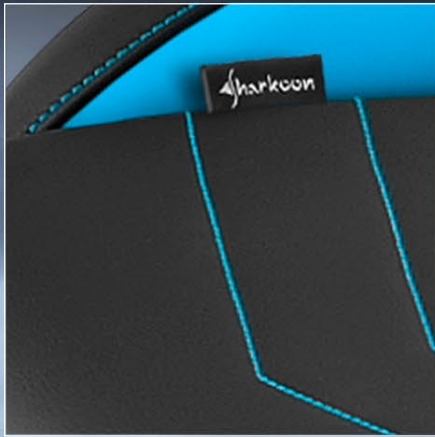

The extra-large adjustment handle allows the backrest to be easily fixed within a wide angle from 90° to 160°.

Conventional Tilt Function

The conventional tilt function provides a relaxing rocking motion in tense gaming situations. The chair, including armrests and backrest, can be rocked between 3° and 18°. When the situation calms down and this function is no longer needed, it can be simply locked.

HARD-WEARING AND EASY TO CLEAN

The robust synthetic leather of the ELBRUS 3 has high quality stitching and is extremely durable when properly maintained. It can be easily cleaned with common, non-aggressive cleaning agents. The fabric covers of the headrest and lumbar cushions provide extra comfort and can be washed at 30°C.
