A WELCOME MESSAGE FROM THE DIRECTOR

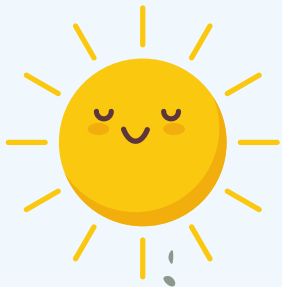

HELLO CAMP NATOMA FAMILIES!

We are now only weeks away from the beginning of the summer season and I can't wait to once again hear the echos of laughter, songs, and excited camper voices within Natoma's canyon walls! Right now, Camp Natoma is covered in beautiful spring flowers and Franklin Creek is teeming with life in its last few weeks of flowing water before the summer truly arrives. Volunteers are working diligently to get camp ready for camper arrivals and our summer staff members can't wait to get out to camp and prepare the highest quality outdoor programming for your campers this summer.

For those of you I haven't had the pleasure of meeting yet, I'd like to introduce myself - my name is Diana Krichevsky and this will be my second year as the Summer Camp Director. I was a camper at Natoma myself for many years and my experiences there left me with lasting friendships, a love of the natural environment, and a desire to pass on what was the most inspiring outdoor experience of my childhood to future generations of Camp Natoma campers. After spending time away to pursue my B.S. in Environmental Science at UCLA and my Master of Education at University of Washington, I was elated to come home to the Central Coast and Camp Natoma last summer to begin my journey as Camp Director. I live on-site throughout the summer and strive to ensure your camper is both prepared for camp and has an unforgettable week at camp, so if you have any questions, please reach out to me anytime at 206-519-7748 or diana@campnatoma.org.

*I can't wait to see you this summer,
Diana Krichevsky
Camp Director*
