Where are they now?

Do you ever wonder what the staff do when they aren't at camp?

"Most of my time is spent outside, whether it's backpacking, mountain biking, or rock climbing. In between I work to save up for the next trip, catch up on all the books I didn't have time for during high school, and listen to a lot of music. Next fall I'll be attending UC Davis as an undeclared humanities major.

Hello Camp Natoma Campers & Families,

Winter is here! Can you imagine a cold Camp Natoma - with only a few hours of sunshine down in the valley and a full Franklin Creek? It might be quiet at Camp Natoma right now, but there is so much planned for the Spring - we hope to see you! We already have several custom programs lined up - is your group or school interested a private weekend at Camp Natoma?

I would like to invite all campers and families to join us for the **2023 Family Volunteer Weekend**. This is a really special way to enjoy Camp Natoma in the spring time (think green lush hillsides, comfortable temperatures, a full creek, and lots of friendly people!) Everyone is welcome to come contribute to the preparation of the campsite for summer - kids and adults! There are projects for everyone - trail maintenance, pool cleaning, electrical and plumbing repairs, construction projects, and lots of deep cleaning! Delicious meals are provided in exchange for your volunteer time. Expect lots of projects followed by community meals and amazing stargazing. We hope you'll save the date for **May 27-28, 2023** - registration will be available this spring.

Friends of Camp Natoma is a 501(c)(3) non-profit organization which operates the programs and facilities of Camp Natoma. It is only with community support that we are able to provide fantastic outdoor programs for youth. There's two very impactful ways to support Camp Natoma in 2023 - **Monthly Giving** and **Business Sponsorships**. This support keeps our program strong and accessible to more families. Can you consider joining the inaugural 2023 Monthly Giving Program? Check your email for all the details!

As we close 2022, I am grateful for our program leadership - Camp Director Diana and Program Director Carl - are leading Camp Natoma programs with energy and compassion. I have immense appreciation for our Board of Directors and volunteers contributing thousands of hours annually.

We look forward to seeing campers and families for more great experiences in 2023! We hope to see you at MANY of our fun upcoming events!

Sincerely,
Emily Zbin
Executive Director
