Cycling in Ontario

The most complete guide describes 165 cycling routes covering 5,567 kilometres within Ontario, including the Trans Canada and Waterfront trails. In-depth coverage features 30 of the province's best rides, with listings of attractions, accommodations, dining and services you'll discover along the way. Handy trail lists identify our favourite trails and custom tours for culture and history buffs or those who enjoy riding through forests and wetlands or past spectacular waterfalls and scenic views. Practical information includes everything, from transportation options and tour difficulty ratings to climate and bicycle maintenance, to enable you to carefully plan your cycling adventure. Clear maps and directions keep you on the right track and help you get the most out of your outings.

Tracey Arial: Thanks so much to my guide to Ontario’s north, Mike Landmark. Thanks also to the unsung heroes who work on the front lines in Ontario’s conservation areas, and at provincial and national parks, especially Linda at Fanshawe. Thanks to everyone at the Howard Johnson in Tillsonburg. Thanks to the team at the Trans Canada Trail Association too. Most of all, I’d like to sincerely thank Pedro, Paul and Arial for your company and love during all our adventures. I really appreciate your support.

Publisher: We acknowledge the financial support of the Government of Canada through the Book Publishing Industry Development Program (BPIDP) for our publishing activities. We would also like to thank the Government of Québec – Tax credit for book publishing – Administered by SODEC.
