Caption.Ed

Edge Hill University

Why students love Caption.Ed

> "
> I was amazed at how easy it was to transcribe and edit audio. Compared to software I've used previously, Caption.Ed cut down transcription time by a good three-quarters.

Why students love Caption.Ed

> ❝
>
> Caption.Ed has completely changed the way I am able to learn. I use it to watch all my lectures now and there is no more confusion with what lecturers are actually saying.

CHARLOTTE – CAMBRIDGE UNIVERSITY

Why students love Caption.Ed

> "
>
> An interesting benefit is when you are listening to certain lecturers where English isn't their first language, and there can be some difficulty in understanding thick accents or the pronunciation of certain words. The upside of the transcript version is that it is transcribed perfectly, and gives you a better understanding of what is being said."
