

YOUTH MENTAL HEALTH FIRST AID IN BILLINGS, MT

Youth Mental Health First Aid Teaches you to identify, understand and respond to signs of mental illness and substance abuse disorders in youth. We also now have expanded content on trauma, addiction and self-care as well as the impact of social media and bullying. This 6.5 hour in-person training gives adults who work with youth the skills they need to reach out and provide initial support to children and adolescents (ages 6-18) who may be developing a mental health or substance abuse problem or issues involving trauma situations and help connect them to the appropriate care.

WHO SHOULD TAKE THIS TRAINING?

- Teachers
- School Staff
- Coaches
- Camp Counselors
- Youth Group Leaders
- Parents
- People who work with youth
- First Responders

WHAT IT COVERS

- Common signs and symptoms of mental illness in this age group, including
- Anxiety
- Depression
- Eating disorders
- Attention deficit hyperactive disorder (ADHD)
- Common signs and symptoms of substance use

Active Violence Emergency Response Training

Go Beyond Active Shooter Response Training

While other programs focus solely on active shooter or stop the bleed, AVERT goes beyond by combining both of these important topics in one training program.

What You'll Learn with AVERT

Live scenario exercises and hands-on practice instills confidence in your team and gives them tools for how to respond. With AVERT you'll learn:

Warning Signs

Defend and Attack

Equipping Your Space

Situational Awareness

Escape and Evade

Emergency Bleeding Control

**IS YOUR
ORGANIZATION
TRAINED TO
REACT
IN A LIFE-
THREATENING
SITUATION?**

When active violence occurs, seconds count, and you can't always wait for EMS to arrive. AVERT enables you and your team to become immediate responders.
