Notice of Good Faith Estimate

You have a right to receive a “Good Faith Estimate” explain how much your medical care will cost.

Under the law, health care providers need to give **patients who don’t have insurance or who are not using insurance** an estimate of the bill for medical items and services.

- You have a right to receive a Good Faith Estimate for the total expected cost of any non emergency items or services. This includes related costs like medical tests, prescription drugs, equipment and hospital fees. In the case of Brighter Sky Counseling, this includes psychotherapy related services rendered.
- Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, visit www.cms.gov/nosurprises or call (406) 272-6228.
