## Class of 2023 Induction Nomination Guidelines

### “Seeking all Montanans who have made notable Western heritage contribution”

*It is time to begin the 2023 MCHF Inductee nominations. An unlimited number of living and legacy nominations may be submitted from each of the twelve MCHF districts. From the nominees of each district, inductees will be chosen by votes cast by the MCHF Trustees who represent their district for the year 2023. In the case of a tie, a board approved committee at large will decide the tiebreaker. Nominations that were not chosen in the years 2020 or 2022 may be placed under consideration for re-nomination. (There was not a 2021 Class of Inductees due to COVID restrictions)*
