## Please join us for one of the most exciting annual Benefit Events in Missoula!

Your generous support of the 7<sup>th</sup> annual **Global Gauntlet**, an adult-oriented, fun evening of global trivia, gourmet sit-down dinner, specially selected wines, silent and live auctions, and endless laughter help to foster global awareness and understanding in Montana's classrooms and communities.

Your Sponsorship of **Global Gauntlet** goes directly towards our community outreach and global education initiatives including Academic WorldQuest, a two-day global affairs immersion for hundreds of Montana students; the Global Educator of the Year Award; Council in the Classroom, a statewide video-conference that connects distinguished global experts, ambassadors, and diplomats with students and classrooms all across Montana – rural, remote and reservation schools are just a handful of those that our programs reach each year; altogether, nearly 3000 Montana youth.

In addition, **Global Gauntlet** supports some of the most dynamic global affairs programming for our local communities. These programs include the Distinguished Speakers Program and Business Luncheons that help to promote economic development between Montana and international businesses around the world as well as Council on the Radio, one of the region's most listened to programs and other special global affairs programs.

There is no other organization quite like the Montana World Affairs Council and no other event like **Global Gauntlet!** You don't want to miss it and we hope you'll be part of it! There are many sponsorship levels and many ways to join us.
