EMERGENCY ESSENTIAL PROGRAM

Our Emergency Essentials Program offers a complete selection of protective options to help keep you, your team and your customers safe and healthy!

With safety on everyone's mind... preventative measures are more important than ever.

Ping is your partner in delivering reliable safety essentials direct from the factory to you and your clients. We deliver goods quickly in the most difficult times when supplies are scarce.

We work direct with over 45 OEM factories to bring you the most reliable supply at best prices.

Because Safety is Essential.

ESSENTIAL EMERGENCY GOODS

ABOUT US

Ping Importing LLC & the YOYO World family, enjoys a reputation of innovation and quality. We are trend forward industry leaders for over 15 years with extensive experience and expertise in brand creation, product development, OEM manufacturing, sourcing, sales, and distribution. Ping focuses on high demand, hard to source items in the emergency goods space.

Our market awareness along with our global resource network ensures optimization from product development through finished goods. We maintain a high level of quality by working directly with end component suppliers and then combining for a finished product. By working directly with dozens of factories we can maintain quality and an on-time delivery for our clients.

Delivering on target goods to the market, at factory direct prices, with a high level of quality for long term competitiveness.... and peace of mind.
