

Privacy Policy

General

Carolina Village Inc. is the sole owner of the information collected on www.carolinavillage.com. This policy describes how Carolina Village, Inc. treats information that Carolina Village Inc. collects and receives through its website. If the Privacy Policy is not accepted by you in full, or if you are unwilling or unable to be bound by the Privacy Policy, you must IMMEDIATELY cease all access and use of our website.

Protecting your private information is important to us. This statement of Privacy applies to the Carolina Village Inc. website. This statement of privacy governs data collection and usage. By using the Carolina Village Inc. website, you consent to the data practices described in this statement.

The Privacy Policy may be updated by Carolina Village Inc. at any time without notice. You should revisit the Privacy Policy on a regular basis as revised versions are binding on you. We may provide notices with changes on the site.

You understand and agree that your continued access to our use of the site after any modification to the Privacy Policy indicates your acceptance of the modification.

Use of Your Personal Information

If you complete a Carolina Village Inc. form, we collect the information you provide to us. This information is used to send information you request via the form, and to email information of interest to you about Carolina Village Inc. First and Last Name, Physical Address, E-mail address, and phone number may be collected when a User submits a Request for Information through our Marketing Department in order to contact you.

When submitting an Employment Application, you will be required to submit relevant Personal information including first and last name, physical address, e-mail address, and phone number, employment history, personal references, and education.

How we use the information obtained involves possibly contacting and returning information to the user or applicant that submitted the request or employment application.

Privacy Policy

Carolina Village Inc. Does Not Sell, Rent, or Lease its Customer Lists to Third Parties

Carolina Village Inc. does not connect data from one source to other data we may have about the end user in order to sell, rent or lease our customer listings to a third party.

Information Storage and Security

No method of transmission over the Internet, or method of electronic storage, is 100% secure. As a result, while Carolina Village Inc. strives to use all reasonable methods to protect your Personal Information, it cannot provide a guarantee with regard to its absolute security.

Collection of Anonymous Demographic Information

Carolina Village Inc. has implemented analytics features that gather non-personality identifiable anonymous demographic information from Google Analytics. This information gathers length of time on our site, new or returning visitor status, city, page views, and number of users in a month's length time.
