

## Advanced Placement (AP) (Standardized Exams)

High school students attend high school AP courses, take examinations for college level credit while still in high school, and later have successful scores translated into college-level coursework.

CASC awards credit on 23 College Board's Advanced Placement (AP) subjects with a minimum score of 3. Credit is awarded for courses existing in the College Catalog and after 12 semester hours are completed with CASC. AP awards from transfer institutions will be awarded in full measure at CASC when course exists in CASC College Catalog.

The AP transcript Code for CASC is 1474. Contact information for College Board is: <https://ap.collegeboard.org>
