

Oklahoma State Regents for Higher Education Complaint Procedures

Current and prospective student complaints that are reported to the Oklahoma State Regents for Higher Education (OSRHE) are handled through OSRHE Academic Affairs Office by reviewing the circumstances of the complaint and providing the individual with contact information for the most appropriate campus office with the authority to resolve the complaint. If the individual has exhausted the process for review and appeal at the institution and believe the complaint is unresolved, OSRHE staff requests permission to contact the institution on their behalf to identify any possible resolution. OSRHE staff remains in contact with the student to determine if their issue has been resolved or adequately addressed.
