

CASC Nursing Program Licensure Eligibility by State

All states except Oklahoma are as designated by eNLC Compact per National Council of State Boards of Nursing (NCSBN)

<https://www.ncsbn.org/compacts.htm>

Graduates who do not meet Multistate Licensure requirements described at <https://nursing.ok.gov/ulr.pdf> may be eligible to apply for single-state licensure in Oklahoma contingent upon meeting Oklahoma Board of Nursing (OBN) requirements as described on the OBN website - <https://nursing.ok.gov/>

Graduation from CASC with an AAS in Nursing does not guarantee RN licensure. Criminal history, citizenship status, and other factors as defined by relevant boards of nursing, affect eligibility to take the NCLEX-RN and obtain licensure.
