5. For the 2021-2022 award year 1325 Students accepted and awarded as of December 31, 2021.
6. The institution used the following criteria to determine which students would receive funds, and the amount each student would receive.

Who was eligible:

We identified students who were enrolled in Fall 2021. We then divided the group into students who were Title IV eligible and those who were not Title IV eligible. Though both groups were eligible to receive these funds priority was given to those who were Title IV eligible per federal guidelines given for use of these emergency funds.

How students were divided:

We divided the eligible students into fifteen categories based on the following factors:

1. Students who were Title IV eligible received 75% of the overall amount.
2. Students who were not Title IV eligible received 25% of the overall amount.
3. Students who owed a remaining balance were given the option to have the funds apply directly to what they owed.

Emergency Financial Aid Grants

(7. CONTD.)

Good Afternoon,

Carl Albert State College is able to offer emergency financial aid assistance for the Fall 2021 semester under the Higher Education Emergency Relief Funds III (HEERF III) created under the American Rescue Plan (ARP). The amount of funds each student will receive will be determined by the hours enrolled at the time of payment at the rate of \$100 per credit hour up to 15 hours.

As a student who still owes a balance for this semester, you are given the option to have these funds applied directly to your account, which we strongly encourage. You may expect funds to be disbursed to you or your student account within two weeks.

Please note that by choosing to not apply these funds to your student account, you will be required to pay the remaining balance in full by the start of the Spring 2022 semester or risk being dropped from your enrolled classes. Going forward, you will be responsible for paying your account balance and if it is not paid in full you will not have access to your official transcript and you will not be allowed to enroll in future semesters.

Please complete the form at this [link](#) so that we may determine the payment method.
