

CASC Average Cost of Attendance Fall/Spring 9-Month Budget 2024-2025

Based on a 15-hr
credit load

The Cost of Attendance (COA) reflects estimated costs that a typical student in a given set of circumstances will incur, within a moderate lifestyle, to attend an institution for a given period of time. This is used to award appropriate levels of funding to each student.

This is not what it would actually cost to attend school.
