Comments

First-time entering freshman has never attended college, has attended as HS Concurrent, or has less than 7 college hours at another college. If you graduate high school May 2025, then, you will be a first-time entering freshman when you enroll in the summer or fall 2025 semester and regardless of the number of college hours you completed whilst in high school...

For NJCAA Athletic Eligibility, all student athletes must submit official transcripts from the high school.

Transfer students have attended other college(s) and completed more than 7 hours. High school concurrent students will not be classified as a transfer student, regardless the number of college hours completed at another college). Test scores and high school transcript may be required when remediation at other college was not completed, when required for NJCAA Athletic Eligibility or Financial Aid determinations, or transferring with less than 24 cr-hrs.

Concurrent enrollment students are high school juniors and seniors who qualify for admissions at CASC per high school GPA or ACT test score results, or through performance assessments. Concurrent students must submit *Permission Form* with high school and parent permissions prior to admissions.

Step 3 Enrollment

First-time entering freshman and Transfer students Once all documents are submitted and processed, students are ready to enroll with the help of an advisor. Students will receive email with link to sign-up for an Enrollment Session. An advisor with Enrollment Management will schedule on-campus or remote enrollment session.

Returning CASC students should contact their ADVISOR for course **progress** review. Advisors will **clear** student to self-register or assist students with enrollment.

Returning Concurrent Enrollment students should scan the completed *Permissions Form* to concurrents@carlalbert.edu or walk-in for enrollment at the Sallisaw or Poteau campus locations with completed *Permissions Form*.
