

2026-2027 Unusual Enrollment History (UEH) Appeal Form

Due to the U.S. Department of Education's efforts to prevent fraud and abuse in the Federal Pell Grant Program, institutions are notified when applicants are suspected to have an Unusual Enrollment History (UEH).

An example of a UEH is one where the student attends an institution long enough to receive a Title IV refund, leaves without completing the enrollment period, enrolls at another institution, and repeats the pattern (or a similar pattern of enrollment and payment with no academic credit) of remaining just long enough to receive another Title IV refund without having earned any academic credit.
