# Colorado Springs Google Maps Optimization Checklist

Ensure your business is visible and ranking on Google Maps in Colorado Springs.

Based on Colorado Springs Google Maps Optimization by Casey's SEO

## 1. Google Business Profile Foundation

*Ensure your core business information is accurate and complete.*

- ■ Verify your business name matches your legal name.
- ■ Confirm your address is accurate and consistent.
- ■ Add your correct phone number.
- ■ Select the most relevant primary category for your business.
- ■ Add secondary categories that accurately describe your services.
- ■ Ensure your business hours are up-to-date.

## 2. Service Area Definition

*Clearly define the areas you serve to attract local customers.*

- ■ Specify your service areas if you don't have a physical storefront.
- ■ List all relevant cities, towns, or zip codes you cover.

## 3. Service Listing and Description

*Detail the services you offer to match user searches.*

- ■ List all services your business provides.
- ■ Write a compelling description for each service.
- ■ Include relevant keywords in your service descriptions.
- ■ Ensure service descriptions clearly state what you do.

## 4. Visual Optimization

*Use high-quality photos and videos to showcase your business.*

- ■ Upload high-quality photos of your business (interior/exterior).
- ■ Add photos of your products or services in action.
- ■ Include photos of your team if applicable.
- ■ Upload a compelling video if available.
- ■ Ensure all visual media is relevant and professional.

## 5. Engagement and Activity

*Regularly engage with your profile to signal activity to Google.*

- ■ Create and publish regular Google Posts.

- Respond to customer reviews promptly and professionally.
- Ask satisfied customers to leave reviews.
- Answer questions in the Q&A section of your profile.

## 6. Website Integration

*Connect your Google Business Profile to your website effectively.*

- Ensure your website URL is correctly listed on your profile.
- Add a Google Business Profile review link to your website.
- Embed a Google Map of your location on your website's contact page.
